TESLIN ROADS

We are doing seasonal maintenance. Watch for persons and equipment working.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

This is a great time to remind people you can purchase a landfill punch card for \$20.00 at the Village office.

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

The blue bin recycling pick up program has resumed, please ensure your bins are at the end of your driveway by 9 am on Wednesdays.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 and we have submitted our licence renewal application and are waiting for the water boards response.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

We have received numerous complaints about dogs running at large in the Fox Point subdivision we are actively pursuing loose dogs in the area.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Our recreation department is working hard to provide programming while adhering to COVID restrictions. Posters with the schedule of programming is posted around town. And check out recreations Facebook page for updates.

PROJECTS

OCP/Zoning Bylaw

The OCP and Zoning bylaw have received the first reading by Council. The public hearing has been scheduled for August 3, 2020 in the recreation center at 7 pm. Before the public hearing there will be a public meeting at 5:30 to discuss the draft OCP & Zoning bylaw

All OCP/Zoning bylaw documents are on our website: www.teslin.ca or available in print at the Village of Teslin office.

New Firehall/Public works yard

We are moving forward with both projects and should have project manager hired soon.

BOUNDARY EXPANSION

We are working with Vector Resources to do a financial and services analysis on expanding our boundary. The report will be available in September.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

July 2020 Recreation Report

The 'new normal' of recreation was experienced in July. While maintaining the safe-6 COVID guidelines is a challenge when it comes to recreation programs, we were able to get a bunch of programs up and running safely.

We are excited about the addition of our summer students Destiny Taylor and Cassie Johnston to the recreation team. They bring youthful energy and creative ideas to our programs. They have come up with a **Community Art Program** that will run Wednesdays from 6:30-9:30pm. This will feature different art projects ranging from beading to canvas painting each week. We are looking for local artist to help make this happen!

The girls have also launched a **Summer Girls Club** that will take place on Thursdays from 2-4pm at the Rec Plex. **Adult Softball** started up on Tuesday and Thursday Nights at 7:30pm at the ball diamond.

You may have noticed all the action behind the arena in June as the construction of the **Teslin Bike Park** took place. With the expertise of park builder Joe De Graf, this long-standing vision came to fruition. The Bike Park caters to multiple ages and skill levels and is now officially open. Helmets are mandatory and riders can use it at their leisure and at their own risk.

We have changed the weekend **Youth drop-in** a bit. Friday nights will be in the arena where we have a Nerf Zone set up, basketball nets and plenty of room to scooter around. Saturdays will be in the newly re-worked youth center (curling rink viewing area) where youth can play games, watch a movie, and just chill. Both evenings will run from 7-9pm on a first-come-first-in basis, with a limit of 8 youth.

The **Junior Golf Club** has provided many kids the opportunity to travel to Whitehorse to learn and practice golf at the driving range. This program will continue through the summer and has even sparked a couple of '**Mature Golfers**' trips too. Contact recreation about future golf opportunities.

The **Warriors of the Water** canoe program has been a good success with 10 registered participants meeting every week to learn canoe skills on and off the water, along with taking part in planning the Nisutlin River Trip tentatively schedule for August 9-14.

Our programs will continue to abide by the 'safe 6' COVID guidelines. This continues to mean restricted group sizes in doors. We also continue to have to ensure appropriate distancing of participants, regular hand washing and disinfecting throughout the program.

There are changes coming to TD banking services in the Yukon. Here's what you need to know.

On-site TD banking services will be discontinued in all rural and remote locations in the Yukon Territory.

Following the result of the Government of Yukon's request for proposal process, banking services will be transitioned to another financial institution in the following communities:

- Burwash Landing – September 28
- Beaver Creek – September 29
- Carmacks – October 1
- Pelly Crossing – October 1
- Haines Junction – October 2
- Mayo – October 6
- Faro – October 7
- Ross River – October 8
- Teslin – October 9
- Old Crow – October 15

In-person banking services will continue to be available at our branch located at 200 Main St. in Whitehorse.

We know this can be a big change, but our commitment to providing excellent customer service remains the same. We're ready to help you with this transition in any way we can.

As always, you can bank anytime at TD with EasyLine® telephone banking (1-866-222-3456), EasyWeb® Online banking (easyweb.td.com), or through the TD mobile app.

Questions?

We are happy to answer them at an upcoming information session.

Contact or visit your nearest banking agency for details on how you can participate.

If you have any questions about the discontinuance of TD banking services in your community, call us at 1-800-409-7120.

For more information about branch closure requirements, please call the Financial Consumer Agency of Canada at 1-866-461-FCAC (3222).

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.
