## **FLOOD**

The water levels are consistently receding and are back to safe levels. We are continuing with flood mitigation to reduce the impact for future high water. We are still working closely with homeowners to assist with flood cleanup.

## **TESLIN ROADS**

Seasonal maintenance has been completed, and roads in summer driving conditions.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

We are now accepting payment at the landfill.

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

## **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

Northern Enviro Services from Watson Lake plans a weekly trip to Teslin to provide septic pump-out services, please plan ahead and schedule your pump-out by contacting their office at 867-536-7361.

### **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and ensure the driver can safely access your fill spout.

Due to the high water, YG Environmental Health is recommending that all water wells in the area be tested for bacteria. Sample bottles are available at the Village office.

### **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements.

## **RECREATION**

Programming is still be offered while adhering to the COVID-19 recommendations & restrictions. Refer to the recreation schedule and advertising for new programming.

Please contact Lindsay if you have any questions.

## **PROJECTS**

### **New Firehall/Public works yard**

The ground work has started at the construction site for the new firehall.

Fencing and a storage shelter will be constructed this summer on the new public works yard site.

### **Trails**

We were successful with receiving funding from the Community Development Fund for the trail project.

## **STAFFING**

We are currently hiring for a building attendant/recreation assistant, this is a full-time permanent position with a benefit package. The advertisement closes August 6<sup>th</sup>. Please contact the Village office for a detailed job description and more information.

## **OTHER**

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

# July 2021 Recreation Report

July started off with some COVID related closures, which pushed **Bike Camp into August** and resulted in the **Kiddo Campout** not getting much interest. This made for a pretty quiet couple weeks.

We did resume **Young Explorers** with a group of about six kids, doing things like going on walks, collecting rocks, and scavenger hunts. **Play in the Park** was a new program on Wednesday evenings, intended to bring parents and kids out to play games together at Friendship Park. Events included playing with Zorb balls and, due to weather complications, some games like Frisby moved in to the Rec-plex arena. These two programs will continue running on select weeks until school starts.

We were lucky to go ahead with **Swim Camp** on the week of July 19 – 23. This program was led by lifeguards Willow Brewster and Robyn Lee and aimed to give youth (and all community members) the opportunity to gain water-related safety and swimming skills. Different than traditional pool swimming, participants learned to safely enjoy the body of water where they live, and yes, it was cold, and yes, we had to dodge boats. We had the fire going all week and participants were able to warm up and play some games on the shore with the Rec team while not in their in-water lessons. Each day ended with a full group fun swim. We saw huge improvements throughout the week; with kids that were scared to get in the water jumping off docks, little ones dunking their heads under the water for the first time, and some super great dives. All kids practiced, and some successfully completed, the *Swim to Survive* certification (which includes rolling in deep water, treading in water for one minute, and swimming 50 meters). Swim Camp just so happened to take place during Drowning Prevention Week, and will be a camp we aim to bring to Teslin on an annual basis!

# July 2021 Recreation Report

The **Warriors of the Water** canoe program has continued to be a great success, preparing a group of sixteen people ranging in age from 0 to 67 for a **Nisutlin River Trip** (July 25<sup>th</sup>-30<sup>th</sup>). Look forward to a recap of that trip in the august report.

With the easing of Covid restrictions we are looking forward to going ahead with some more camps. Our previously postponed **Bike Camp** will take place August 3 – 6. Bike instructors from Boreale Explorers will be out to host sessions for kids, teens, and adults. Sessions on bike maintenance, bike safety, pump park and trail riding will happen throughout the week. Sign up with VOT.

Yukon University will be out the following week, August 9 – 13, to offer their **STEM Camp** (science, technology, engineering, math). This camp will run from 1-5 pm Monday through Thursday and 8:30 am to 12 pm on Friday for Youth 6-12. Registration can be done online through Yukon University.

We are planning on heading to Whitehorse for another **Mature Golfer 9 and Dine** on Friday August 6, and youth age 12+ can sign up to go to **Paintball** on Wednesday August 18<sup>th</sup>. Please sign up for these trips in advance. Families are invited to join us in the Rec Plex kitchen for **Bake My Day** from 6-8pm on August 9 and on Friday August 20 for another **Family Game Night**.

We held our Rec Society AGM in July and would like to welcome new members Jen Clark, Tara Easley, and Shania Hogan. They will join returning president Patty Wiseman, Shelly Hassard (VOT), Doug Hogan (TTC), Lindsay Johnston on the board. We invite all community members to help revive this community focused society and are welcome to attend the next meeting will be Wednesday August 11 at 6:30 pm.

Our recreation summer students have been killin' it and if you would like to join our team, the full-time recreation assistant is currently posted.

# EMERGENCY PHONE NUMBERS

## Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!
