Cole Hunking, Public Works Foreman

## **TESLIN ROADS**

Most temporary flood measures have been removed, and roads will be back to normal driving conditions soon.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

**Make sure you stop and see the attendant before dumping.**

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

## **LAGOON AND SEWER SYSTEM**

We are doing a discharge at the lagoon into the wetlands, this process should be finished in less then 30 days.

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

## **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property let us know and we can provide it to you.

If your female dog is in heat please keep them secure in your yard or home to help avoid dogs packing in groups.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **RECREATION**

Our Recreation team has been busy with summer programming please see the recreation calendar posted around town and on our website. Or stop by and chat with the recreation team.

## **PROJECTS**

Construction continues the new firehall and should be finished in August.

Design and Engineering continues on the Energy upgrade projects for the Recreation Center and Municipal Center. Lighting & plumbing upgrades contracts have been awarded.

Planning for one more storage building in the public works yard is underway.

## **FLOOD 2022**

**We are out of the initial emergency and the evacuation alert has been rescinded.**

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing throughout the fall.

## **OTHER**

**The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.**

Village Council meetings have returned to the Council Chambers and the public is welcome to attend in person or via zoom. Council meetings will be reduced to one meeting per month for June, July & August and will be held the 2<sup>nd</sup> Monday of each month.

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

# July 2022 Recreation Report

News and Highlights  
from your  
Recreation Programmer

July was a busy month and thanks to the awesome rec team, summer students, guest facilitators, and program sponsors and funders we were able to pull it all off!!!

Yukon Aboriginal Sport Circle (YASC) is sending out instructor Greg Sanderson to deliver **FREE boxing lessons** in Teslin every other Friday...and they are pretty darn fun...and a great workout. There were 2 sessions in July that saw a range of ages come out and the August sessions will run August 12 & 26 at 4:30p for ages 8-12 and 5:30p for ages 14 +.

Support from YASC also came out to help set up the 3-D Archery course on the new rec trail behind the ball diamond. Thanks to Sport for Social Development in Indigenous Communities (SSDIC) funding we were able to purchase 7 new 3-D targets to complete a 10-target course that will be known as the **Teslin Sam Bow Archery Course**. We will be out shooting on Tuesdays meeting at the ball diamond at 5:30p August 16 through until the weather really takes a turn. We are also planning to host a YASC competition on our new course in September. Stay tuned for details.

Our awesome summer students planned a **Karaoke Dance Party** at the Rec Plex on Monday July 4<sup>th</sup> and a **Massive Water Fight** on July 5<sup>th</sup> at friendship park. Both events had great turn outs and were a lot of fun. They also planned **Summer Student Camp of Awesome** for July 26 & 27 that included art projects, nerf wars, sports and cooking.

The **Yukon U STEM & Biking Camp** took place the week of July 11-15. We had 12 participants split into different age groups that got to enjoy a camp focused on biking, cooking, and activities to challenge the mind. The kids really seem to enjoy the STEM programs and we will look to having it back on our regular schedule in the fall.

The **Bright Futures Camp** sponsored by Electricity Human Resources Canada, and delivered by Elephant Thoughts, ran in Teslin July 18-22 with good participation numbers. Thanks to the kind sponsorship the kids all received hoodies and a full day, fully catered camp jam packed with fun, games, experiments, learning and brain challenges....and they loved it!!

The rec team got involved with **Tlingit Days** on July 28 and helped to run a bunch of the games that we missed out on having Canada Day like the egg toss, tug of war, and potato sack races. We also ran some of the traditional favorites like the tea boil and bannock making contest

# July 2022 Recreation Report

News and Highlights  
from your  
Recreation Programmer

The July **Mature Golfer 9 & Dine** saw a ladies foursome hit the links on July 20. These gals can sure swing the club and will be heading to town again, with other who would like to join on August 10 & 24.

8 of us went to Paintball in Whitehorse on July 25 thanks to funding from the Youth Developmental Asset Program (YDAP). This is the first trip I think I got the kids as much as they got me, but the welts on my legs might prove otherwise.

## Rec Society AGM took place July 26...

The **Warriors of the Water** are set to take off on the **Nisutlin River Trip** with a group of 10 canoers and one kayaker. We plan to head up the Canol Road with the support of TTC to the put in spot at Portage on Sunday July 31, where we will camp the night and practice our moving water skills and ferrying. We will take off down the river on Monday, Aug 1 and can't wait to see what beach accommodations we will find along the journey back to Teslin. We are set to arrive Friday morning, August 5. All other programs will be on pause this week as the rec team will be paddling!!

The Yukon First Nation Education Directorate (YFNED) will be back to deliver a **Street Art Workshop** August 8-12. The youth will be learning the skills needed to express themselves through art in a positive way that can brighten up our community.

**Swim Camp** is still on the back burner as we try and find a second lifeguard. This is a tremendously important program that we love delivering, so we are sad to hear that we too may be affected by the nationwide shortage of certified lifeguards. If you or anyone in your life is an avid swimmer, I strongly encourage you to considering taking your Bronze Medallion and get certified. There is money to pay for you to do this in Yukon, and we need you!!!

Jed is looking for hikers to join him for **Teslin Hikes** in August. Dates and times are flexible based on the availability of interested hikers!! We just want to explore more trails around here, so let us know if you would like to join this hiking group and we can hopefully make it work.

**Pickleball** continues to grow in interest and popularity amongst Tesliners. This is a fun and accommodating game with quick skill progression, so if you haven't already, come join us on Wednesday nights at 7pm at the arena to try out the fastest growing sport in North America. Drop-in

**Basketball** on Friday nights has also continued to be popular amongst the youth and we are thankful for the involvement from RCMP member Zie in making this happen!

**Community baseball** has been a little hit and miss on Tuesday nights. But with a **Summer Wrap-Up Ball Tournament** in the works we anticipate some better turns out leading up to the August 19-21 weekend. The tournament will combine local and visiting teams, and aims to have a beer garden, food trucks and a licensed **CELEBRATORY COMMUNITY DANCE**. Stay tuned for details!!

# Changes to Handling Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

## Pound Fees

### 1<sup>st</sup> Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

### 2<sup>nd</sup> Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.
