13.1. Scheduled Meetings

14. Adjournment

Meeting adjourned at 8:18 pm.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

TESLIN ROADS

Roads are in winter driving conditions. Please take your time and drive accordingly.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies. Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and the path to your fill spout is clear of snow and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

RECREATION

The Yukon Government has mandated vaccinations for anyone over the age of 12 using recreation facilities so you must be double vaccinated to participate in our recreation programs.

We had to change our programming due to the state of emergency but the recreation staff has come up with many creative ideas to provide safe programming for our community please check out the recreation calendar.

PROJECTS

New Firehall/Public works yard

Construction of the new firehall has begun and will continue through the winter.

OTHER

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

November 2021 Recreation Report

Yukon Government issued a state of emergency that has some major implications to recreation programs and participation in our community. Restrictions to facility occupancy and proof of vaccination for everyone 12 and over came in to effect and I would like to take a moment to talk about that. My goal as a recreation leader has always been to work hard to ensure inclusive, barrier free participation in sport and recreation. I am very disheartened to hear that vaccination status has now become a barrier to enter our facilities.

Sport and Recreation professionals from all levels have been working collectively for years to break down barriers. The Canadian Parks and Recreation Association (CPRA) recently issued its strategic outlook for the next 3 years. In it is listed 4 Values with the first being, "Parks and recreation is a *public good* and an essential service; the benefits of parks and recreation are numerous and cannot be refuted." The next value is that "*Inclusion and equity* are integral; parks and recreation should be accessible to all."

This isn't new. The **2015 Framework For Recreation in Canada** points out that "through much of the 20th century, public recreation was regarded as a "public good." The emphasis was on accessibility for all, outreach to disadvantaged groups and a belief in the universal benefits to the whole community, not just to users".

Some other points from the **Framework** that resonate right now:

- Recreational experiences include participation in physical activity and sport, and in artistic, cultural, social and intellectual activities.
- Recreation remains a fundamental human need in all ages and stages of life.
- Recreation provides opportunities for personal growth and development for people of all abilities and can be especially helpful to people living with disabilities.
- Public recreation and parks services have an important role in enhancing physical activity, which in turn, is a critical factor in improved physical and mental health.

November 2021 Recreation Report

- Participants in recreation report improvements in mental wellbeing, including increased self-esteem and life satisfaction.

Unfortunately, we are already seeing way too high of rates of inactivity. Only 16 percent of adults and 39 percent of children and youth in Canada are meeting recommended physical activity levels. (You can find more alarming stats in the **2020 ParticipACTION Report Cards** for youth

www.participaction.com/en-ca/resources/children-and-youth-report-card and adults www.participaction.com/en-ca/resources/adult-report-card)

We also know that inactivity costs the health care system billions of dollars. (Just search *the cost of physical inactivity in Canada*).

This week ParticipACTION also highlighted, in an open letter to government, that 40% of Canadians say that their mental health has deteriorated since the pandemic and numbers are higher for vulnerable groups.

Now is not the time to be still. Now is not the time to impose barriers to participation. **Please remember that regular activity is SOOOO important to both physical and mental health and this should not be impacted because of your choice to take the vaccine or not. Should you need help preparing an activity plan I am here to help. -Lindsay**

Now on to our regular reporting.....

Our **4-on-4 Hockey Tournament** went ahead earlier in November with additional precautions and guidelines in place, and great efforts were made to ensure the health and safety of players and the community. It was a fun and successful weekend with 6 team participating. KDFN Predators beat Tu Lidlini Eagles in a shootout to take 1st place and \$1300 in prize money. Thank you to Council for their support and guidance to help us proceed with the tournament. And thank you to all who came out, and for all the positive feedback we received for a well-run tournament.

We got off to a slow start for **Crib nights** and will hold off until the new year to restart this ongoing tournament.

Teslin Recreation

November 2021 Recreation Report

Drum Fit for those with 50+ pounds to lose was slated to start up in November, but for a variety of different reasons has yet to take place. Drum Fit is a fun and inclusive activity that will follow online instructional videos with upbeat choreography from the Drum Fit people. The sessions will be facilitated by Patti Wiseman 10am on Saturdays at the Rec Plex.

Archery is back up and running on Thursdays after school for kids from 3:30-5pm and for adults from 5:30-6:30pm. The Yukon Aboriginal Sport Circle instructors joined us on Nov 18 and we plan to have them out for more sessions in December and the new year also.

Pickleball has developed some new interest on Wednesday nights at the Rec Plex. Doors are open from 7-8:30pm for pickleball in addition to the noon hour game. Pickleball is a super fun game that is really inclusive of all skill levels. Come check it out!!

Art Night seems to have lost a little momentum lately, despite some really great, well thought out weekly projects. We would like to know how we might be able to accommodate any barriers that may have started getting in the way. Please do not hesitate to reach out with your thoughts and ideas. For now, we will reduce to bi-weekly Art Nights on Wednesdays at 6:30pm with guest facilitators and projects announced in advance.

We will play December a bit by ear as we wait to see what restrictions might be lifted in the next announcement on the state of emergency on Dec. 3. We will also continue to monitor what is happening with COVID in the community and work hard to keep delivering safe and responsible recreation. We are also working on creating more outdoor recreation spaces that people can use freely. This includes keeping some ski trails groomed, and creating an **outdoor rink and Crokinole** (think life size crokinole on the ice with home made curling 'rocks') down at the marina. We will keep fire wood down there and try to keep a warm spirited environment for some outdoor activity and fun down on the lake this winter.

We are earmarking Dec. 15 for the **Light Up The Night Christmas Light Parade** and coming up with a great schedule over the holidays that will also include a trip to **Mt. Sima, Winter Solstice Drive-in-Movie Fest**, and **open ice times**.

or hangin with friends

Teslin Recreation is still working to provide the community with things to do during the COVID-19 shutdown.

The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go....

Please follow us, so you don't miss out!!!

All dogs must be licensed with the Village Of Teslin. There are two programs sponsored by YG & TTC/VOT to assist dog owners with the vet bill to have your dog spayed or neutered. Dogs running at large (off their property & not with the owner) will be picked up by the Village of Teslin. We only hold dogs in our pound for 3 business days after that the dog will be relocated or re-homed.

Pound Fees

Licensed Dog – First offense \$75.00

Unlicensed Dog- First offense \$100.00 plus the purchase of a license \$80.00

Cost of License

Not spayed or neutered - \$80.00

Spayed or neutered -FREE

Please Note

Citizens can catch & hold any dog that is running at large & turn the dog over to the Village Of Teslin

For more information please contact the Village Of Teslin

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.

Village of Teslin, PO Box 130, Teslin, YT
