Whereas, the Village of Teslin (VOT), with the support of the Teslin Tlingit Council (TTC), is proposing an expansion of the village boundary to include several sections of Teslin Tlingit Council Settlement land and subdivisions that are currently excluded from the municipal boundaries; AND

Whereas, the Village of Teslin has outgrown its current municipal boundary and needs to ensure there is an adequate supply of developable land for future municipal and TTC growth; AND

Whereas, Section 17 of the Yukon Municipal Act outlines the procedure for an application for a municipality to adjust its boundaries; AND

Whereas, the proposed boundary will be expanded westward to the western edge of the Fox Point subdivision to include all of Smarchville, the proposed Green subdivision and the Heritage Centre, and northwards to incorporate the portion of the pipeline right-of-way that runs across the northern part of the proposed Village boundaries, and eastward to incorporate homes on the east side of the Nisutlin River in the Boville subdivision; AND

Whereas, expanding the municipal boundary would increase the availability of municipal services to those who currently live outside of the Village of Teslin, including TTC Citizens. Boundary expansion will enable these citizens to vote in Teslin elections, run for the positions of Mayor or Council member, have access to village services, including emergency response, and improved water delivery services; AND

Whereas the Teslin Tlingit Council has supported the submission of an application to expand the municipal boundaries of the Village as presented by the Village of Teslin;

NOW THEREFORE BE IT RESOLVED that the Village of Teslin supports the proposed boundary expansion as presented.

BE IT RESOLVED that the Village of Teslin adopted the resolution as written.

Lindsay Johnston, Recreation Manager

**Message from the Mayor
December 2022**

As we approach Christmas and prepare for the deep freeze in the coming months, here is an update on matters the Village of Teslin Council has discussed over the past few months.

The biggest news is that we have a new Chief Administrative Officer. I am pleased to announce that Chad Thomas will officially join VOT as our new CAO on December 5th. Many of you know Chad because he grew up in Teslin. He was recently the Chief Executive Officer for Yukon First Nation Wildfire, founding and building the organization and developing the popular "Beat the Heat" program to attract and develop new wildland fighters in the Yukon. We are happy to welcome Chad and his family in Teslin to take on this new role. Welcome back to the community, Chad.

We are continuing to plan our permanent flood mitigation efforts for the spring, which includes building a permanent berm on the lakeside of Jackson Avenue. The rising waters threatened several properties along the street, and a lift station, which, if damaged or rendered out of service, would result in all residents on the south side of the community from the Village to the bridge losing access to sewage services. One of the councillors visited homeowners on Jackson Avenue to explain the berm. A more extensive community survey will be coming out shortly.

Speaking of flooding, one of our staff members recently received a letter recognizing him for his outstanding efforts leading up to and during the flood. Cole Hunking is a recipient of the Emergency Management Exemplary Service Award from the Federal, Provincial, and Territorial Senior Officials Responsible for Emergency Management (SOREM). Congratulations, Cole, for a well-earned award for your dedication and efforts.

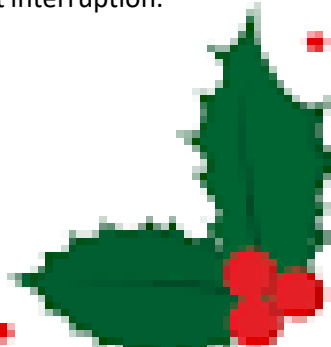

Council recently passed our provisional Operations and Maintenance and Capital budgets. I will review it in more detail in another post since we will pass a final budget in March once transfer funding amounts are finalized. Through this year's budgeting process, it is becoming clear that our costs are increasing like everyone else's, and our council has taken a conservative approach to new expenditures in this budget. However, critical investments, like a new water truck and an analysis of parts of our aging sewer system, are included. During this term, this council has proven a willingness to plan for the future beyond our current term. So, we will look at our future financial sustainability in the coming months and probably for the rest of our term as we ensure that our municipality remains financially stable for future councils.

As with every newsletter, I extend a big thanks to our staff, who tirelessly work to deliver services daily. However, for this particular newsletter, I want to thank all our staff and former CAO Shelley Hassard for going above and beyond while we searched for a new CAO. Although Shelley started her new position as Executive Director of the Association of Yukon Communities in October, she graciously continued to assist VOT. Several staff also picked up some extra duties and worked well as a team to ensure that everything continued without interruption. Your dedication and efforts are greatly appreciated.

Building Resiliency Together

October 21, 2022

Dear Cole A. Hunking,

On behalf of Federal, Provincial, and Territorial Senior Officials Responsible for Emergency Management (SOREM), we are pleased to inform you that you have been selected as a recipient of the Emergency Management Exemplary Service Award. Congratulations!

The Emergency Management Exemplary Service Award is a prestigious recognition for exceptional service and achievement across Canada to prevent, prepare for, respond to and recover from emergencies and disasters. As a partnership between provincial, territorial and federal governments, the award recognizes recipients who have achieved excellence in their respective fields. Across Canada, there are many deserving individuals and groups working on emergency management, such as community-based volunteers, people working in all levels of government in emergency management organizations, and Indigenous communities.

We are in the process of organizing an awards ceremony in Ottawa on December 15, 2022, with Federal, Provincial, and Territorial Ministers responsible for Emergency Management. We would be honoured to have you join us to receive your award in person.

Please see the email accompanying this letter for further details and required information. Officials from Public Safety Canada will be contacting you in the coming days to go over this information and to confirm your attendance.

Again, congratulations on this prestigious recognition!

Sincerely,

Public Works Report

November 2022

TESLIN ROADS

Winter is here! Please be cautious driving and walking as conditions can be slippery. Snow removal equipment will be out and about, so be aware and give equipment space to work safely.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Sunday, Monday, and Tuesday Closed to public

Wednesday, Thursday, and Friday – Noon to 6:00pm

Saturday – 10:00 am to 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All sewer lines are in good working order. Please be aware and careful of what is being flushed down the sewer system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition.

Please notify us if you will be away and not requiring water delivery.

Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces, and obstacles.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

With the increasing demand for water delivery, schedules may be changed from time to time.

Over the next few months Council will be reviewing the Water Bylaw and associated fees.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property, let us know and we can provide it to you.

If your female dog is in heat, please keep them secure in your yard or home to help avoid dogs packing in groups.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

PROJECTS

The Fire department has moved into the new fire hall.

The tender for the energy upgrades to the municipal center has now closed and is under evaluation. The lighting & plumbing upgrades to the municipal center and Rec plex are now complete.

The equipment for the new playground in the Sawmill Road subdivision has arrived and installation will be completed in the spring.

FLOOD 2022

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing throughout the fall/winter.

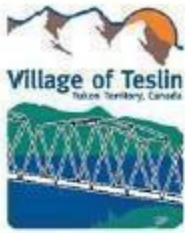

OTHER

The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Changes to Handling

Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

Pound Fees

1st Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

2nd Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.

November Rec Report

The current set of **Youth Programs** continue to have strong participation will run through to the Christmas break. We will look towards the new year to change things up a bit, but for now, **After School Sports** continues on Tuesdays and Wednesdays, **Kids in the Kitchen** and **Youth Club** on Thursdays, and **Young Explorers** on Fridays.

Our evening programs have also been running steady through the fall. We have a few youth who have been named to the **NAIG 2023 Archery Training Squad**, so **archery** will continue to run on Tuesdays all winter!! Wednesdays is still **Pickleball** and Thursdays **Youth Club** at the Rec Plec, and Friday **Basketball** and Saturday **Volleyball** at the school from 7-9p. The WSP volunteer run **Badminton** has continued to happen steadily on Mondays and Fridays from 6:30-8pm when the Rec Plex has been available.

Our newest **Parent & Tot Play Group** has started to bring out parents and little ones under 4 to the Mezzanine on Saturdays at noon. We invite more to come out and help us establish a bigger group and more ideas of making this a meaningful time for all.

Lindsay and Hailey attended the **Youth Roots: A substance use prevention gathering** in Whitehorse on Nov 14 and 15th, and Lindsay continued on to Ottawa for meetings with the Canadian Parks and Recreation Association board. Lots of great insight, connections, and inspiration came out of the week!

The Friday evening **Public Skate** always draws a good crowd and our hockey programs have been going strong, except for our **4 on 4 Hockey Tournament** that postponed in November because a lack of commitment from teams. We are looking to run the tournament Dec 2-4.

Meghan Atina Art will be back in Teslin to run a **Christmas Art Workshop** on Saturday Dec 10. This will be an all-age mixer but younger kids will need to be accompanied by an adult. Sign up by calling the VoT office at 390-2530.

The **Holiday Season** is coming and we are lining up a great schedule of events. The **Seniors Christmas Dinner** will take place on Wednesday, Dec 7. This event is being hosted by the Seniors Committee now operating under the Teslin Recreation Society. TTC will be hosting the **Annual Community Christmas Dinner** at the Rec Plex on Dec 8, and **The Light up The Night Christmas Parade** will be hosted by Mayor Curran and Council in the VoT parking lot on Tuesday, December 20. The bonfire will start at 5:30pm as we meet in the parking lot to go on parade at 6pm. We encourage everyone to stick around or come back after the parade for hot chocolate, hot dogs and a social gathering around the fire and GIANT SNOW PILE!!

Other rec holiday events in the works are a **Mt Sima Trip** on December 19. This will be for ages 9+, but we are inviting younger kids to grab an adult and come along too!! The **HARD DEADLINE** to sign up for the trip will be Dec 14 so we can make arrangements for tickets and rentals. We are again planning our **Winter Solstice Drive-In-Movie Fest** for the shortest day of the year, December 21. We will line up a couple family friendly movies and start things off at dark. We are planning a last-minute **Christmas Baking Afternoon** on Dec 22 with sign up required. We are teaming with TTC Health & Social to host a **Christmas Skating Party** on Friday Dec 23 from 4-7pm and a **Family Dinner and a Movie Night** on Dec 28. We will meet for **Hot Dogs & Hot Chocolate at the Microwave Tower** at noon on Dec 30.

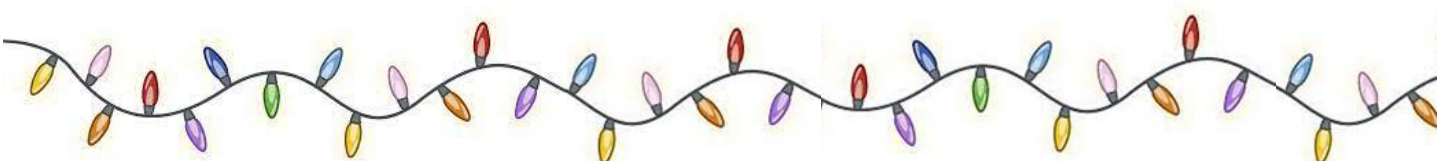

More details on all this fun to come!!

We wish everyone a healthy and happy holiday season full of fun, family, friends, and of course some outdoor activity!!!

Roasted Beet & Goat Cheese Salad

Ingredients

- 6 medium beets, scrubbed
- 6 c. arugula
- 1 avocado, sliced
- 4 oz. goat cheese, crumbled
- 1/2 c. chopped toasted walnuts

DRESSING

- 1/2 c. extra-virgin olive oil
- 1/4 c. balsamic vinegar
- 1 tbsp. maple syrup
- 2 tsp. Dijon mustard
- Kosher salt
- Freshly ground black pepper

1. Preheat oven to 400°. Wrap each beet in foil and place on a baking sheet. Roast until tender (you can insert a fork or knife through the foil to test), about 1 hour. Let sit until cool enough to handle, then peel and cut into wedges.
2. In a jar, shake together olive oil, vinegar, maple syrup, and Dijon until fully combined. Season with salt and pepper.
3. Place arugula in a large serving bowl and lightly dress with vinaigrette. Top with beets, avocado, goat cheese, and walnuts. Toss gently and add more vinaigrette as needed.

CHOCOLATE CRINKLE COOKIES

Ingredients

- 2 cups semisweet chocolate chips, divided
- 2 tablespoons butter, softened
- 1 cup sugar
- 2 large egg whites, room temperature
- 1-1/2 teaspoons vanilla extract
- 1-1/2 cups all-purpose flour
- 1-1/2 teaspoons baking powder
- 1/4 teaspoon salt
- 1/4 cup water
- 1/2 cup confectioners' sugar

Directions

1. In a microwave, melt 1 cup chocolate chips. Stir until smooth. In another bowl, beat butter and sugar until crumbly (about 2 minutes). Add egg whites and vanilla; beat well. Stir in melted chocolate.
2. In another bowl, whisk together flour, baking powder and salt; gradually add to butter mixture alternately with water. Stir in remaining 1 cup chocolate chips. Refrigerate, covered, until easy to handle, about 2 hours.
3. Preheat oven to 350°. Shape dough into 1-in. balls. Roll in confectioners' sugar. Place 2 in. apart on baking sheets coated with cooking spray. Bake until set, 10-12 minutes. Remove to wire racks to cool.

Teslin Recreation

2h · 

Here it is, and Thanks to volunteers badminton will continue and a new Parent & Tot program will be added to the November Rec Schedule.

Make sure you come out to the rink and check out the action as we host our 4-on-4 Hockey Tournament Nov 11-13. The tournament will kick off with a small Remembrance Day acknowledgement and Ceremonial Puck Drop.

Stay tuned for the date of our new monthly +55 Lunch and Social Afternoon.

oh boy..... Volunteerism, active participation, and social engagement is on the rise in Teslin and it's a thing of beauty!! Let's make sure we are helping each other keep the ball rolling as the days get shorter. So if you're headed to an activity grab a friend too 😊

Teslin Recreation is still providing the community with many activities. The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go.
