TESLIN ROADS

We have had above average amounts of snow this year so there could be limited visibility at intersections, please drive with caution. We are working on removing snow but in the meantime please be careful.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are plowed so the water truck and driver can safely access your fill spout.

We are currently using the backup water truck as the other truck is in Whitehorse for repairs.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Our recreation department is working hard to provide programming while adhering to COVID-19 restrictions. Posters with the schedule of programming is posted around town. And check out Receptions Facebook page for updates.

January 2021 Recreation Report

We've been having fun in Twenty-Twenty-One!!

Our **Community Art Program** had guest artist Meaghan Meadowcroft of Northern Fox Canvasses out to host a fun **Paint Day** on Saturday, Jan 9. The regular Wednesday night program also featured **Wet Felting** with Jen Clark and **Painting on Fabric** with Tara Easley in January. Sign up for the different weekly art projects by calling VOT.

On January 16 we hosted a fun **3-on-3 Hockey Tournament**. Our many mask-wearing spectators enjoyed watching the 8 teams participate in a round robin format tournament throughout the day. 4 teams went through to the playoffs, resulting in The Deadly Uncles taking the Gold, Watson Guys the Silver, Teslin Aces in 3rd, and Puck Norris finishing 4th. We had one young kid come down from Watson to join our minor hockey players in the kids mini-tournament. It was awesome seeing the parking lot so full again and we thank everyone who followed the COVID guidelines so this event could take place safely. We are teaming up with the Yukon Aboriginal Sport Circle (YASC) to bring **Martial Arts** instruction to Teslin and our first session took place January 22 & 23. Thanks to funding YASC received from the Government of Canada's SSDIC program, Muay Thai instructor Greg Sanderson came to the community and offered 2 classes (for ages 11-14 and 15+) on Friday afternoon and Saturday morning. The youth who took part did great and we are looking forward to the next session with **Boxing** instructor Reg on February 19 & 20.

January 2021 Recreation Report

There was a Bison Workshop held on January 23 as part of pre-trip programming leading up to our **Youth Bison Hunt** scheduled for March 1-5. We received approval of our COVID plan at the end of January so we are excited to now be able to move ahead with preparations for this hunting trip being funded in part by Crime Prevention Victim Services Trust (CPVST) and Lotteries funding. 2 VoT staff (Lindsay & Jordan) along with Dick, Burt and 2 CO's are coming together to bring between 6-10 youth aged 10-18 out past Haines Junction for a multi-day trip. The goal is to get a bison that we would quarter at camp and bring back to Teslin where we can lead a meat processing workshop and share the harvest amongst participants, host a community meal, and reserve some meat for recreation programming. Youth wishing to participate in the hunt **MUST** get their registration forms in by February 19 and attend a planning session on Feb 8 and Gear check on Feb 22.

Thursday Kids Club will turn into the **Cross Country Ski Program** starting Feb 4. This is a skill development program for kids aged 6-9 and will take place from 3:30-5pm on Thursdays. We are asking for strong interest and commitment to skiing and encourage you to speak with your child prior to signing them up.

We are also taking a break from Saturday movie night for a bit. Instead, Kelsey will lead a **Youth in The Kitchen** program for those aged 11-15 who wish to gain a little more experience planning and preparing meals Saturdays from 7-9pm. This will be in addition to us continuing with **KITK** for the young kids on Tuesdays through February.

Our Public Works team began preparations of the ice down on the lake for our **Teslin Lakespiel**, but we have decided to postpone this event until March 27. Stay tuned for more details and registration forms for this fun, family-friendly day on the lake!! The area will continue to be prepared for use during the 50th Anniversary Mini Rendezvous slated for mid March. In order to make the most of this milestone anniversary we are holding planning sessions Wednesdays at 6:45pm, and invite all to attend in person or via zoom!!
