TESLIN ROADS

Roads are in winter driving conditions. Watch for equipment plowing snow. Please take your time and drive accordingly.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and the path to your fill spout is clear of snow and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

RECREATION

We had to change our programming due to the state of emergency, but the recreation staff has come up with many creative ideas to provide safe programming for our community please check out the recreation calendar. We have created a winter play area by the marina which includes crocki-curl, ball toss, and an outdoor ice rink.

PROJECTS

New Firehall/Public works yard

Construction of the new firehall has begun and will continue through the winter.

OTHER

The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test please call the office.

Admin staff are busy preparing for the year end audit and the 2022 budget.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Message from the Mayor February 2022

Sorry for missing fall and early winter Teslin Posts. We had a municipal election in October, and then November and December got busy. Below is an update on our new council and other activities.

Our new council started their term on October 25th with swearing-in and orientation. Congratulations to returning councillors Trevor Sallis and Juanita Kremer and new councillors Jeff Myke and Luc Johnstone. Our priorities this term are recreation, food security, and the marina. As part of recreation, our youth continues to be an important focus. Since our first meeting, our new council has proven to be an active group with some very well-rounded discussions on issues facing the community.

Left to Right: Trevor Sallis, Jeff Myke, Juanita Kremer, Luc Johnstone, Gord Curran

The COVID pandemic continues to overshadow everything as we move into yet another phase with the re-introduction of the Civil State of Emergency, the current Omicron outbreak, and changes to testing. As a result of the testing changes, it is difficult to know how many cases we have locally. The numbers were always a little off at the best of times since not everyone who was sick was getting tested, and some people had Teslin addresses but were not physically in Teslin. With the rapid spread of the Omicron variant, it is safe that you should assume that COVID is in the community. Please follow the Safe Six plus One and consider getting the vaccine and boosters if you have not already done so. This phase emphasizes strong individual awareness of your behaviour and the wishes of others, and there are diverse opinions about the vaccine and the pandemic. We ask that you remain respectful of other community members, and above all, be careful, respectful, and kind to one another.

Recreation remains a focus and a priority. As the pandemic continues, our community's mental health is a growing concern. We have long thought that the impact of the pandemic is not only the medical threat posed by COVID but the erosion of the mental health of our community. It is increasingly difficult to be optimistic as this pandemic closes in on two years, and we feel that recreation is one of the best ways to improve mental health and counteract the impact of the pandemic. Furthermore, feeling a connection to others is as important as the physical benefits of recreation. Please take advantage of what we are offering, and be respectful of the guidelines and restrictions we need to follow. Although the restrictions introduced over the past few months make it challenging, our determined and creative Recreation Manager Lindsay Johnston continues to offer the community great recreational opportunities. Please take advantage of them.

Our new fire hall continues to be built and is clearly visible from Alaska Highway beside the Deisleen Development Corporation offices. The project is progressing well and is slated to be completed by October 2022. The federally-funded project is managed by Colliers and overseen by Cole Hunking from VOT Public Works.

In closing, I would like to extend a big thanks to our staff who work tirelessly behind the scenes to deliver services under challenging circumstances. Day in and day out, they are committed to making a difference in Teslin. As a council, we can make all the decisions we want, but it means nothing without the dedicated team who work daily to make this community a better place to live.

Gord Curran

A handwritten signature in blue ink, appearing to read "Gord Curran", with a long horizontal flourish extending to the right.

Mayor of Teslin

January 2022 Recreation Report

*News and Highlights
from your
Recreation Programmer*

Oh boy do we have lots on the go!!!

The Village of Teslin team is awesome.

Many have probably seen by now, and hopefully used, the **Winter Playground** the team created down at the Marina. The area has a fire pit with wood for your use as you enjoy a round of Crokicurl, skate on the lake rink, or try out the Ice Bowling. Please help keep the area clean and clear of snow when we may not have gotten to it.

Work has also commenced on the **Teslin Lake Ice Trail**. The goal is to connect the community with a trail on Teslin Lake and earn a Guinness Book of World Records title in the process. Our goal is 32km of skatable trail weaving between the marina and the cottage lots and looping back, with another main access point at the Heritage Center. There is lots of work to be done and we need the community to help.

We are starting to compile a work plan and list of people who would like to help. What we need will be time, labour, and some equipment, but you don't have to provide all to get involved. See *the Call For Volunteers* poster for more info on what we are looking for =)

Our **Cross-Country Ski** program has started and the kids are getting really comfortable on their skis. Our Ski Team goal is to ski some trails this year and maybe even go to Mount Mac in Whitehorse. We have been enjoying the warm weather and playing outside on kicksleds and down at the Winter Playground as part of our after-school **Winter Sports** Program on Wednesdays too. Due to the current COVID situation the Yukon Aboriginal Sport Circle (YASC) has held off on visiting the community to run Arctic Sports, but we have continued to deliver **Archery** on Tuesdays. The kids join us after school and we leave the targets set up for adults interested in coming and shooting from 5:30- 6:30p.

Teslin Recreation

January 2022 Recreation Report

We postponed the start of the **STEM club** to February 3. This program will take place on Thursdays at 6:30pm thanks to Yukon College. The date for our guest **Muay Thai** instructor to come to Teslin was also changed to February. Youth and adults can sign up for a great workout and training session on Feb 25.

The Teslin **3-on-3 Hockey Tournament** planned for January was also postponed due to COVID restrictions. We are hopeful that our upcoming events will be able to take place as planned in February. The events are being planned with community wellness in mind and will be a fun way to get out and be active. The **Teslin Olympics** will kick off with **Soup & Bannock Opening Ceremonies** at the Rec Plex on Wednesday, February 9 at 5:15p. The Teslin Olympics will be 10 days of mini sport competitions for all ages. They will be traditional winter Olympic sports with some not so traditional spins and adaptations. Community members can sign up to participate in the Teslin Olympics without having to commit to participating in all events and without even knowing what to do. This is just meant to be fun! We will divide participants into mixed teams (a.k.a. countries) of adults and kids and at the opening ceremonies teams will decide who will participate in which events. Please spread the word and sign up to be put on a team by Feb 7. The final event of the Olympics will be the **Teslin Lakespiel**. (Your Lakespiel team does not need to be made up of people from your Olympic country, but you will earn points for your Olympic team if you participate in the lakespiel). This is the 3rd annual curling on the lake event and will again be family friendly and fun. Get your tailgate set ups ready because there will be another great prize package for the **best tailgate set up** this year. The Olympics will wrap up with a **Teslin Olympic Closing Ceremony** where the winnings teams will be announced and medals awarded on Monday, Feb 21. See the *Teslin Olympics Poster* for full schedule

January 2022 Recreation Report

The dates of the **Avalanche Safety Course** have changed to February 26 & 27. We encourage and invite snowmobilers to be good riding buddies and take this training! This is the 2-day AST1 Course that will provide participants with a certificate of completion. The cost is \$325/person and participants are required to have some of their own basic avalanche gear and a snowmobile, which can also be rented. For more info contact recreation.

Hope to see you out, active and having fun with us this February!

Teslin Lake Ice Trail- Call for Volunteers!

We are starting to compile a work plan and list of people who would like to help us earn a Guinness Book of World Records title....

What we need will be time, labour, and some equipment. (You don't have to provide all to get involved).

Some examples of helpful **EQUIPMENT** will be:

- ice augurs
- water pumps
- shovels
- plow equipment

Some examples of the **MAIN JOBS** we need help with are:

- pump water and flooding sections of the track
- taking responsibility for keeping sections of the track cleared and skatable
- daily safety checks

Some **SIDE JOBS** include:

- building small KM markers
- acquiring reflective trail markers and safety signage
- Spreading the word and building the hype

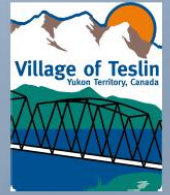

Let us know what you can do!!!

Contact Lindsay or Cole 390-2530

Once we compile the list we will lock the plan and jobs down!
THANK YOU!!!

TESLIN LAKE ICE TRAIL

SAFETY CONSIDERATIONS

The trail is currently under construction

- please be careful of plowing equipment and flooding efforts
- obey all signage and section closures
- Snowmobilers, use caution when crossing the trail as berms may not be easily visible
- the trail is not intended for motorized use

use the trail with caution and at your own risk

contact VOT @ 867-390-2530 to report any concerns or to get involved with trail building and maintenance efforts

stay 6 feet apart

#StopTheSpread

even on walks and bike rides

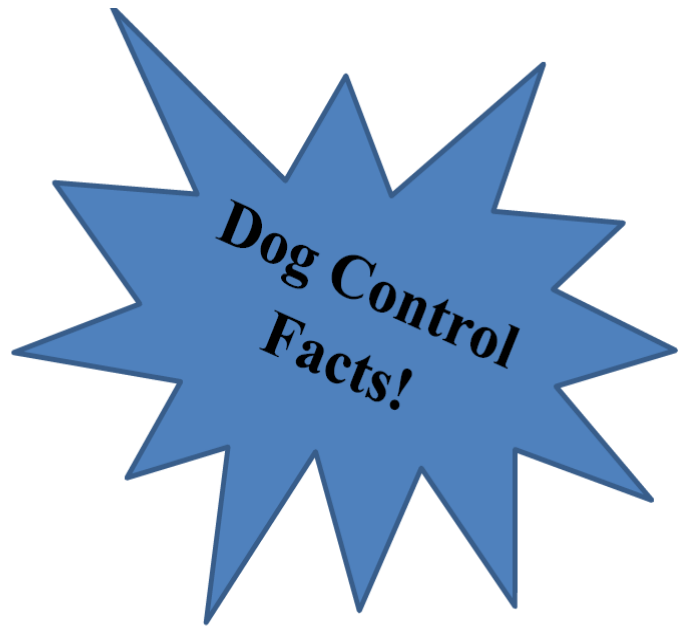

or hangin with friends

Teslin Recreation is still working to provide the community with things to do during the COVID-19 shutdown.

The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go....

Please follow us, so you don't miss out!!!

All dogs must be licensed with the Village Of Teslin. There are two programs sponsored by YG & TTC/VOT to assist dog owners with the vet bill to have your dog spayed or neutered. Dogs running at large (off their property & not with the owner) will be picked up by the Village of Teslin. We only hold dogs in our pound for 3 business days after that the dog will be relocated or re-homed.

Pound Fees

Licensed Dog – First offense \$75.00

Unlicensed Dog- First offense \$100.00 plus the purchase of a license \$80.00

Cost of License

Not spayed or neutered - \$80.00

Spayed or neutered -FREE

Please Note

Citizens can catch & hold any dog that is running at large & turn the dog over to the Village Of Teslin

For more information please contact the Village Of Teslin

Phone: 867-390-2530

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have

NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

"Teslin Volunteer Fire Department"

Make a difference

Join us - Volunteer!
Your EMS team needs your help

With Yukon EMS you will

- Challenge yourself
- Meet new people
- Serve your community; be a leader
- Learn valuable skills (like lifesaving first aid)
- Earn some money (when on active duty and on call)
- Most of all, you will make a real difference helping sick and injured patients

DO MORE THAN YOU
IMAGINED POSSIBLE!

is scheduled every
2nd & 4th Tuesday of the month at the
Village Fire bay.**

**Teslin EMS Meeting & Training is
scheduled every 1st & 3rd Tuesday of
the month at the Ambulance Bay**

EMERGENCY PHONE NUMBERS

Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!

(3473)

EMO facts : TTC and VOT have a joint emergency plan.

Emergency plan working group is a group of Individuals from different agencies in Teslin working together to keep our community prepared in case of an emergency.

Thank you very much to all those who contributed to this month's issue, and special thanks to all those who shared their awesome photos.

To receive an electronic copy of the ***Teslin Post*** and/or if you would like to have something posted in the monthly issue, please email: teslinrec@teslin.ca or admin.teslin@teslin.ca

Any comments, suggestions, ideas, and photos are always welcome.
