TESLIN ROADS

Roads are in winter driving conditions. Watch for equipment plowing snow. Please take your time and drive accordingly.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Administration Report December 2021

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and the path to your fill spout is clear of snow and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

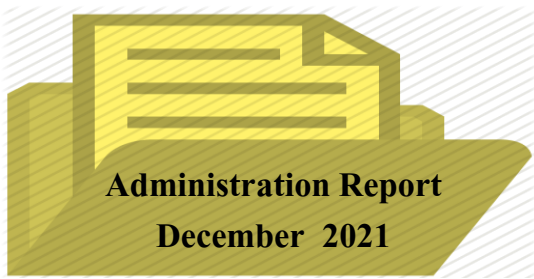

RECREATION

We had to change our programming due to the state of emergency, but the recreation staff has come up with many creative ideas to provide safe programming for our community please check out the recreation calendar. We have created a winter play area by the marina which includes crocki-curl, ball toss, and an outdoor ice rink.

PROJECTS

New Firehall/Public works yard

Construction of the new firehall has begun and will continue through the winter.

OTHER

Admin staff are busy preparing for the year end audit and the 2022 budget.

Hope everyone enjoyed the holiday season.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

December Rec Report 2021

Thanks to Hockey Yukon we had coach Jeff Frizzel come out and run a **Hockey Skills Day** for our minor hockey players on Dec. 11. They kids had a blast doing 2 sessions in one day with just a quick break for lunch. The lunch was prepared by Kim Hadden, as is a little meal after every practice thanks to the TTC Health & Social Department and funding from Jordans Principle. We would like to give a big thank you on behalf of Teslin Minor Hockey to **Coach Amy**, who did a lot to help rebuild minor hockey and will be leaving us in the new year.

Thank you to Tara Easley and crew for getting the Rec Plex windows painted and looking great for the holidays. We have noticed some decline in participation in the art program lately so will move to bi-weekly art nights in January. The **Community Art Program** will take place with different facilitators and sessions on the 2nd and 4th Wednesday of each month. Tara will also host a special **Paint Your Pet Art Workshop** on January 29th and 30th. You can call VOT to sign up.

The Light up the Night Christmas Light Parade took place Wednesday December 15 with a pretty good turnout of vehicles. The judges decided on the top 3 best decorated houses and vehicles.

Best decorated houses - Ellis & Rose Anne, Cindy Murray, Lisa Boutillier

Best Decorated Vehicles - Eric & Kelly Morris, Denise Johnston, the Butlands.

And the community chose Daniel Smarch and Michelle Fox for this years' Citizens Choice award

The judges were unable to choose a street to be named Scrooge Street for the next year because there were lights everywhere, so great job Teslin!!

It's just before the holidays at the time of writing this, so will have more recaps on all the fun and festive things Teslin Rec had planned in the next report.

For those of you wanting to make new years resolutions.....consider making yours to participate in more recreation programs in 2022.... We will have lots on the go!!!

We have **Group Fitness** (for all fitness levels) returning Mondays and Wednesdays at 5:30pm starting Jan 10 and if you're wanting to lose some wait you can join Saturday morning for **Drumfit**. This takes place at 10am at the Rec Plex with Patti.

Teslin Recreation

Guest instructors from the Yukon Aboriginal Sport Circle will be back in Teslin in January and February. We will alternate between **Archery and Arctic Sports** on Tuesdays starting January 4. Session for youth will run 3:30-5p and adults from 5:30-6:30p. The **Cross-Country Ski Club** will resume on January 13. This is a skill development program for ages 5+. We have the goal this year of travelling to Whitehorse with the Ski Club to ski some trails at Mount Mac. Yukon University will be employing 2 youth to run a **S.T.E.M.** program this winter though recreation. This is a club aimed at encouraging kids to use their sense of wonder with exciting activities that promote discovery in the areas of Science, Technology, Engineering, and Math. Youth sign up should be done in advance and we are seeking good commitment for all these programs.

While we remain watchful over the everchanging COVID situation and restrictions, we are also excitedly planning to host a bunch of great rec events in Teslin this winter. The **Teslin 3-on-3 Hockey Tournament** is scheduled for Jan 22 and will welcome both adult and kids teams. This is a fun tournament, for teams of 5 players, played cross ice using mini nets and no goalies. Super Fun! We will be hosting the **Teslin Olympics** in conjunction with the 2022 Winter Olympics in Beijing. This will be a couple weeks of mini sport competitions from Feb 7-20. The events will be our take on Olympic events such as Ice Dance, Bob Sledding, Biathlon and more. We will kick off with an Opening Ceremonies on Feb 7, where countries (teams) will get the event schedule and decide who will represent them at each event. To participate you can sign up with recreation and we will assign you to a team. You do not need to make a whole team, and you do not need to participate in every event. All ages can sign up and the more people the merrier...it will be super fun!!! We will wrap things up with a curling event as part of the **3rd Annual Teslin Lakespiel**. We will be back on the lake for this super fun curling bonspiel Feb 18-20. We will again have prizes for the best Tailgate Set Up so start giving some thought to your theme for this year!!!

We encourage and invite snowmobilers to sign up for the **Avalanche Safety Course** that is taking place in Teslin Feb 5 & 6. This is the 2-day AST1 Course that will provide participants with a certificate of completion. The cost is \$325/person and participants are required to have some of their own basic avalanche gear and a snowmobile. For more info contact recreation.

Hope everyone had a happy and safe Holiday Season and wish everyone the best in 2022!

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.
