TESLIN ROADS

Roads are in winter driving conditions, please drive with caution. Airport Connector Road is closed for the season.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.
Please not that severe winter weather conditions may affect our water delivery service.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Our recreation department is working hard to provide programming while adhering to COVID-19 restrictions. Posters with the schedule of programming is posted around town. And check out Receptions Facebook page for updates.

We had a great turnout for the Christmas lights parade, thanks for all the participants and congratulations to the winners.

December 2020 Recreation Report

The Annual Hay Ride and Christmas Light Contest took place on December 16 and despite cold temperatures had a great turnout. Several loops were made with both the horse-drawn and truck-driven wagons and all enjoyed the great light displays throughout the village and warming up with hot chocolate and hot dogs around the fire between rides.

We also had a great turnout for the youth Christmas Dinner on December 13th, and had fun eating Boston Pizza while watching Elf on the big screen making s'mores outside on the open fire.

The Recplex was a hub of activity throughout the month with many Christmas dinners, open houses, and meetings in addition to the regularly scheduled rec programs. It was great to see the facility so busy over the Hand Games tournament and throughout all these events!

The buzz around the rink on hockey nights is growing too! A fun hockey game between 'VOT/TTC/YTG employees' and 'the world' (non government employees) took place on December 17th with pizza being sold in the mezzanine-adding to the enjoyment of all who came out. More of these hockey nights and catered concessions are in the works with the next 'big game' being January 6.

Recreation will be making a trip to Mt. Sima on January 17th. Registration forms can be picked up and returned to the VOT office by January 3rd to participate in this trip.

We are excited to announce that the Teslin Lakespiel on February 15 is a go. This will be a family-friendly, fun day on the lake complete with curling bonspiel, licensed beer garden, prizes for best 'tailgate set up' and homemade soup. There will be more details to come and lots of ways to get involved with this fun community event!!

Recreation will be going camping with the youth February 21-24. The Youth Winter Camp will focus on traditional knowledge sharing, winter survival skills and having fun out on the land. We are seeking facilitators to help with the delivery of traditional skills programming during this camp.

We would like to take this opportunity to again thank all those who have helped with recreation throughout the year and thank you to our current RHEAL Leaders Patti Wiseman for her efforts with After School Activities on Mondays and Wednesdays and Alicia Mackenzie for running Yoga on Thursday evenings- programs we are excited to have continue in 2020.

Hoping everyone has had a warm, family-filled holiday season and has made the resolution to be more active in recreation in 2020!!!
