Administrative Report

December 2023

TESLIN ROADS

Please be cautious walking and driving as winter road maintenance equipment will be out working in the coming weeks. Please ensure you give all road maintenance equipment lots of space to work safely.

If there are any concerns with the road conditions, please call the office.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Sunday, Monday, and Tuesday are Closed to the public.

Wednesday, Thursday, and Friday – Noon to 5:30 pm

Saturday – 09:30 am to 4:30 pm

STOP and see the attendant before dumping.

There is no after-hours access to the facility so please plan accordingly.

Recycling bins need to be at the end of your driveway by 9 a.m. Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins. There has been a change to some materials that can be recycled, information about what materials can be recycled will be available soon.

An average of one refuse bin a week is being sent to the Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All sewer lines are in working order. Please be aware and careful of what is being flushed down the sewer system.

We have been having issues in the sewer system with items being flushed that should not be. Please ensure that you only flush items meant for sewer systems. VOT will send out a poster to help people identify what can and can't be flushed.

TKO Services (Khiel Davies) is providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition.

Please notify us if you will be away and do not require water delivery.

Kindly ensure that spouts and tank whistles are in good working order and that lids are closed to help avoid water overflow.

Please ensure your driveways are clear and **accessible for the water truck** and that the path to your fill spout is clean of dog feces, and obstacles.

The Village of Teslin is expecting delivery of our new water truck in early December.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems comply.

With the increasing demand for water delivery, schedules may be changed from time to time.

If you have any questions regarding the new bylaw, please reach out to our office.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very seriously and are actively pursuing loose dogs. Our public works staff patrol for stray dogs 7 days a week and we continue patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property, let us know and we can provide them to you.

If your female dog is in heat, please keep them secure in your yard or home to help avoid dogs packing in groups.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The Village of Teslin has partnered with the Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

PROJECTS

The Village of Teslin's Municipal Administration building is on schedule and is due for completion by the end of December.

The landfill scale project is currently under construction and this project will be finished in the spring.

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning and permitting stages.

If you think that there is an important project that you think the Village of Teslin should consider. Don't hesitate to drop us a line, we want to hear your suggestion.

STAFFING

The Village of Teslin currently has jobs available for many different positions and more to follow. Please look at our website or contact the office with any questions.

Teslin Recreation

We are very happy to announce the addition of Tyler Porter as our new Recreation Assistant/Facility Attendant. Born and raised in Watson Lake and a member of Liard First Nation, Tyler's appreciation for the unique needs and interests of the community, with a passion for physical activity and is excited to join our community as the new Recreation Assistant. Having grown up in a small community, Tyler possesses a deep understanding and community involvement, Tyler has always been an energetic and enthusiastic participant in recreational pursuits. From playing sports to organizing events, he understands firsthand, the positive impact of recreational activities can have on individuals and communities.

Drawing on their background experiences, Tyler is committed to creating inclusive and engaging programs that cater to the diverse age groups within our community. Their dedication to fostering meaningful connections and promoting personal growth will undoubtedly enrich our residents' lives.

Welcoming Tyler as our new Recreation Assistant, we can look forward to a range of exciting and enriching activities that will strengthen community bonds, promote well-being, and create memorable experiences for all.

Please make sure you welcome him to the community and our team!!!

The **Annual Seniors Dinner** was a big success on Dec 4th, thanks to all the efforts of the Teslin Rec Society and our volunteers. We had a great meal and everyone was entertained by the duo of Kevin Barr and Boyd Benjamin. Thank you to those who attended and those who donated prizes for the raffle.

The horses were back again this year for the VOT **Light up the Night Hay Ride** and many came out to enjoy them. We went through lots of hot dogs and hot chocolate and liked having relatively nice weather for a change (though the wind started blowing pretty good). Congratulations to the winners of the Christmas light contest, there were some really great displays again this year!

BYTE was here on Dec 11 and did a great job connecting with our Girls Club group. We started with a Hip Hop Dance lesson and moved into some workshops on bullying, healthy relationships and cyber safety. We look forward to their next visit.

The Christmas Skating Party, Art day and sliding party all went really well over the holidays too. The Rec Society decided to forego the New Year Dance but will be bringing other events to the community in the coming months.

We know that the holiday season can be tough for many, and this year was no exception. We wish everyone strength and light as we enter into 2024 and hope everyone has a happy and healthy new year.

Thanks to funding from the Yukon Government Crime Prevention Victim Services Trust Fund (CPVST), we are very excited to be welcoming guest facilitator and hockey coach Aleks, who will be coming to us all the way from Serbia to run our 8-week **First Assist Program**. *First Assist* is an Indigenous Run Charity with the goal of advancing educational outcomes in Indigenous communities through sport. They team up with *Coaches without Borders* to match facilitators with communities and have been working closely with us to design a program that will work for Teslin. Aleks will help out with gym classes at the school, run some after-school off-ice sessions, and be on-ice for hockey sessions 4 days/week starting Jan 24.

The on-ice sessions will run as part of our minor hockey program, but youth will not be required to be registered for minor hockey to access the other components of the program. We are pumped!!

There will be more **Art with Ayla** in January including a candle-making day on January 29 at 6 pm. She will also run an adult session on Jan 15 and a youth art afternoon on Jan 23. These art sessions will require sign-up by calling the main office at 390-2530.

Ball Hockey will move from Sundays to every other Monday at 7 pm at the school and **Pickleball** will return to the Rec Plex on Wednesday nights at 6:30p. We will be adding a **youth 13+ Rec Center Drop In** to the calendar on Fridays from 3-6 pm and **Basketball** will keep going at the School Friday nights.

The **Teslin Tigers** are back starting Jan 22. This cross-country ski development program requires sign-up and will run Mondays from 3:15-5 pm through to snow melt. We will be working on setting ski tracks on our rec trails behind the ball diamond and look forward to bringing the team into Whitehorse to ski Mount Mac again this year.

We will be hosting our **Teslin 3-on-3** hockey tournament on Feb 3 and have put a save-the-date out for the **Teslin Lakespiel March 1-3**. More details about these awesome events to come.

Happy New Year Teslin!!!

Casual Administrative & Evening Support

The Teslin Campus is currently seeking people who may be interested in working as administrative and evening support on a casual, on-call basis.

We are seeking people with the following skills and abilities:

- Ability to troubleshoot technical issues with computers, Zoom, internet, and audiovisual equipment.
- Excellent customer service skills and phone etiquette.
- Excellent interpersonal and communication skills (verbal and written).
- Well-organized, flexible, and reliable.

The purpose of this call is to establish a list of potential casual employees who can provide backup coverage in case of absence by permanent staff.

A cover letter and résumé are all that is required to apply.

Getting on the auxiliary on-call list does not guarantee employment.

This is an open call. There is no deadline for submissions.

Excel 2016 Level 2

March 25 - April 10

Mondays & Wednesdays (Via Zoom)

6 to 9pm

\$449 + gst

**Yukon
University**
TESLIN

Build on your Microsoft Excel skill set with the introduction of advanced functions. Level 2 will cover how to create and use advanced formulas, analyze data, organize worksheet data with tables, visualize data with charts, insert graphics, and enhance workbooks. Troubleshooting and questions are encouraged!

Upon successful completion of this course, you will understand how to create advanced formulas, analyze data with logical and lookup functions, organize and analyze datasets and tables, visualize data with charts, insert graphics, analyze data with PivotTables, Slicers, and PivotCharts, enhance workbooks using themes and templates

Prerequisite: Excel experience or completion of Excel Level 1.

This instructor-led course is available by Zoom. You can take it from home using a laptop or PC and an internet connection. You can also take it at the Teslin Campus.

For more information and to register, contact the Teslin Campus
at 867 390 8800 or gcurran@yukonu.ca

Expression of Interest

Standard First Aid for Seniors/Elders

Are you a senior or elder interested in taking standard first with other seniors and elders (55 yrs+)?

The Teslin campus is considering hosting a Red Cross Standard First Aid course for only seniors and elders, ages 55+. It is the same curriculum as the regular standard first aid except for the following accommodations:

- Participants get the SFA manual ahead of time for some pre-reading.
- The course runs over three days instead of two.
- Tables can be used for CPR instead of kneeling on the ground.

If you are interested, please let us know. If we have enough interest, we will host a course.

For more information or to express interest:

Expression of Interest

Snowmobile Operator Safety Course

Are you interested in taking a one-day snowmobile operator's certificate?

The snowmobile operator's certificate provides hands-on training on the safe operation, handling, and inspection of snowmobiles. The course uses a combination of field and classroom activities to help the rider develop safe and effective snowmobile operation habits.

The course curriculum includes understanding risks associated with snowmobile operation, risk management techniques, planning for snowmobile outings (survival considerations and field maintenance), and pre-ride inspections, field troubleshooting, and review of controls. Exercises in basic riding skills, including riding positions, cornering, traversing hills, trail riding, and handling obstacles, are also covered.

If you are interested, please let us know. If we have enough interest, we will host a course.

How does a mop head end up in the sewer system?

"You'd be surprised what gets down there.. You would be amazed what comes through the sewer!"

When materials that are not meant to be handled by the system get into the sewer, it causes problems. The grinder pump chops up the material coming through the system, but when a non-flushable item comes through, it can cause an overload or clog the grinder rings.

Don't Flush Trouble

Medicine

Wet Wipes

Feminine Products

Condoms

Cigarette Butts

Clothing

Hair

Cat Litter

These items belong in the trash can. The label might say "flushable" but disposable wipes and other products are clogging sewer pipes and damaging pumps and aerators.

23h · 

We are still looking for our 2 kicksleds (small pink and large??) that we're loaned out at the end of last year. PLEASE return them. They are a big part of our upcoming programming. Thank you!!

Teslin Recreation continues to provide the community with many activities. The Teslin Recreation Facebook page will be a primary source of communication about what we have on the go.

<https://www.facebook.com/people/Teslin-Recreation>

In case of an Emergency the following places in Teslin has Naloxone Kits

"Teslin Volunteer Fire Department"

Make a difference

Join us - Volunteer!
Your EMS team needs your help

With Yukon EMS you will

- Challenge yourself
- Meet new people
- Serve your community; be a leader
- Learn valuable skills (like lifesaving first aid)
- Earn some money (when on active duty and on call)
- Most of all, you will make a real difference helping sick and injured patients

DO MORE THAN YOU
IMAGINED POSSIBLE!

www.community.gov.yk.ca

Contact your local EMS supervisor:

Patty Wiseman

390-2101 or 334-3047

**Teslin Volunteer Fire
Department Regular Meeting is
scheduled every 2nd & 4th
Wednesday of the month at the
new Fire Hall.**

**Teslin EMS Meeting & Training is
scheduled every 1st & 3rd Tuesday
of the month at the new Fire Hall**

EMERGENCY PHONE NUMBERS

Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!

Report wildfires

1-888-798-FIRE
(3473)

EMO facts : TTC and VOT have a joint emergency plan.

Emergency plan working group is a group of Individuals from different agencies in Teslin working together to keep our community prepared in case of an emergency.

WE WANT TO HEAR FROM YOU!

Thank you very much to all those who contributed to this month's issue, and special thanks to all those who shared their awesome photos.

To receive an electronic copy of the *Teslin Post* and/or if you would like to have something posted in the monthly issue, please email: teslinrec@teslin.ca or admin.teslin@teslin.ca

Any comments, suggestions, ideas, and photos are always welcome.
