Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

TESLIN ROADS

We are doing seasonal maintenance. Watch for persons and equipment working.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

As of May 1st, all areas of our landfill were open, fees are being charged.

This is a great time to remind people you can purchase a landfill punch card for \$20.00 at the Village office.

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

The blue bin recycling pick up program has resumed, please ensure your bins are at the end of your driveway by 9 am.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 so work has begun on gathering information to apply for our new licence.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

As of June 1st, we no longer provide septic pump out services because Aaron Johnston has purchased a septic vacuum truck and will be offering this service to Teslin residents. Please contact Aaron at 334-3330 to arrange service and payment options.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

DOG CONTROL

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

We have received numerous complaints about dogs running at large in the Fox Point subdivision we are actively pursuing loose dogs in the area.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

RECREATION

Our recreation department is working hard to provide programming while adhering to COVID restrictions. Posters with the schedule of programming is posted around town. And check out recreations Facebook page for updates.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

PROJECTS

OCP/Zoning Bylaw

The OCP and Zoning bylaw have received the first reading by Council. The public hearing has been postponed due to COVID-19.

All OCP/Zoning bylaw documents are on our website: www.teslin.ca or available in print at the Village of Teslin office.

New Firehall/Public works yard

We will be advertising soon for a project manager for the construction of our new firehall and public works yard.

OTHER

911 is working in Teslin if you have a fire emergency you can call 911 or 390-2222 to reach our volunteer fire department.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

June 2020 Recreation Report

While we continued running a few programs virtually in June, it was great to get back to some in-person programming!!

We have wrapped up the virtual Kids Yoga and Breakdance classes, but adult fitness on Monday & Wednesdays will continue using zoom in July. The fitness gym at the Rec Plex has also opened back up with COVID specific guidelines in place. Contact VOT to get your membership.

Ryker Hassard and Sophie Curran were the winners of the Fathers Day Craft Contest.

We have had increased turnout for **Outdoor Archery** which takes place at Friendship Park on Friday afternoons from 3:30-4:30pm and **Pickleball** on Wednesdays at noon. We have laid court lines down inside the arena to accommodate multiple Pickleball games being played at once.

We have also been having fun at **Kids Club**. This is a registration-based program taking place Wednesday afternoons from 3-4:30pm for ages 6-9. The focus of kids Club is on outdoor games and activities such as nature walks, gardening and non-contact field games. We also kicked off the **Youth Softball program** in June and will continue this throughout the summer. This is a registration-based program running on Mondays from 3-4pm for ages 6-11. Both kids programs have a few spots open.

Anyone interested in adult softball??.... seeking feedback on a good day and time to run this.

Youth drop-in at the Rec Plex will continue for youth age 10-12 on Friday nights and ages 13+ on Saturday nights from 7-9pm. We can take in the first 9 youth who show up each night. Activities will be limited to those that allow for appropriate distancing such as movie nights and non-contact games.

We have had a couple teens helping do some trail work around Hermits Lake as part of the **Teens on the Trails** program. We will continue this program with dates and times being determined on a weekly basis. We will also focus on other recreational trails around Teslin and do some hikes.

June 2020 Recreation Report

We are also super excited to be working on a **Bike Park** behind the Rec Plex! The park will be open to the public in early July.

We have started up a **Junior Golf Club** for ages 9+ and have had a handful of youth participate in our first couple trips to the driving range in Whitehorse. The goal is to get them a bit more experience before hitting the course for 9 or 18 holes later in the summer.

Sadly we have had all of the guest facilitated camps (such as the Monkey Business gymnastics camp and Circus Camp) cancel for this summer as a result of COVID restrictions. We are still holding on to hope that our over night camping trips and Nisutlin River trip will be able to go ahead later in the summer and working on other programs around town in the meantime.

We have adapted the **Girls Canoe Camp** (which could not take place as an overnight camping trip due to COVID restrictions), to run as day trips from Teslin on June 29 & 30. The goal of the program is to gain the paddle skills and leadership fundamentals to safely have fun in canoes and will be led by Paddle Canada instructor Jane Vincent. We will also kick off the **Warriors of the Water (WOW) Canoe Program** with the help of Jane providing some canoe leadership instruction. **WOW** will be a precursor program to our Nisutlin River Trip (hopefully able to happen later in the summer) and will run Thursdays, alternating between some indoor trip planning sessions and canoe day trips. This program is for mature youth.

Our programs will continue to abide by the 'safe 6' COVID guidelines. Since this means restricted group sizes, most programs will be registration based. We will also have to ensure appropriate distancing of participants, regular hand washing and disinfecting throughout the program.... which does still limit us a bit in what we can offer for now.

We still have not had much participation from the older youth....so wondering where they are...what they are doing... and what programs they would be interested in???

As we continue to navigate the COVID waters in our programming, we will stick with releasing schedules weekly (versus our normal monthly calendar). Our Teslin Recreation Facebook page has really become a primary source of communication these days, but you can also Email teslinrec@teslin.ca to receive information and sign up for things.

Message from the Mayor

As you all know, we are amid a pandemic, although the situation is stabilizing. On behalf of the Village of Teslin Council, I would like to thank everyone. Tesliners and Yukoners are doing a great job, and we are seeing lots of examples of people doing the right thing and also stepping up to help others. Please keep it up.

We continue to implement the advice and direction of the Chief Medical Officer (CMO) and the Government of the Yukon as we move into the next phases of re-opening. We are also asking members of the public to pay close attention to the guidelines for social distancing and self-isolation and orders from the CMO.

You will see more travellers through the community as travel within the Yukon and Canada becomes more relaxed. There are also Americans transitioning from the lower 48 to Alaska and back. If you have questions about borders and enforcement or would like to report a possible infraction of the Civil Emergency Measures Act, please call 1-877-374-0425 or email covid19enforcement@gov.yk.ca.

If you need non-medical information and support about COVID-19, call 1-877-374-0425. The line is open seven days a week between 7:30 a.m. and 8 p.m. You can also email covid19info@gov.yk.ca.

Municipal Services

The Village of Teslin continues to focus on maintaining essential municipal services, which include water treatment, water delivery, sewer system, and garbage disposal. All services are back to normal, although recreation programming is greatly modified due to social distancing. Please checkout the Teslin Recreation Facebook page, the posters around town, or call the municipal office for more information about events. It is nice to get back to some level of activity.

All municipal employees are practicing social distancing in their daily work, so behind the scenes, there is a significant modification to work routines. Please be patient with our staff. The municipal office remains open with its standard hours. As part of social distancing measures, community members are encouraged to pay VOT bills by electronic transfer if possible. Our council meetings also continue but at the rec plex.

I want to extend a big thank you to the VOT staff who worked through this challenging time to deliver services to our community.

Property Taxes

Your tax bill has arrived, but to help ease the economic impact of COVID-19, the Government of Yukon and Yukon municipalities are giving Yukon residential and commercial property owners whose incomes are affected by COVID-19, the ability to pay their property taxes up to September 2 without penalty.

Property taxes are a significant source of revenue for Yukon municipalities, which provide essential services like water treatment, water delivery, sewer system, and garbage disposal for their residents. This step is designed to provide relief to those community members who need it most.

Social Distancing and Self-Isolation

One of the best ways to fight COVID-19 is through prevention through social distancing and self-isolation. Below are some of the better sources of information for Canadians and Yukoners.

Public Health Canada

<https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection.html>

Yukon Government

<https://yukon.ca/en/information-about-novel-coronavirus-yukoners>

Yukon Chief Medical Officer of Health

<http://www.yukoncmoh.ca/>

We also ask that everyone please be supportive of other organizations and businesses in the community as they put their measures in place. Please pay close attention to the measures and work with your friends and family to ensure that they are following them. Do so with patience and kindness. Help us keep our small northern community safe.

Some other things! Finally.

As we return to some level of routine, it is time to turn our attention to some delayed initiatives. Shortly, we hope to have a public hearing for our Zoning Bylaw and Official Community Plan (OCP) Bylaw. This work started over a year ago with several public meetings and was scheduled to be completed this spring. However, COVID postponed its completion. We have also reviewed the Animal Bylaw based on information from the OCP, and that will be going out for public input sometime soon.

The mosquitos are bad this year! VOT did its usual annual mosquito control treatment of the community. Unfortunately, this is a nasty mosquito year, and Teslin is not alone as the entire Yukon is experiencing a bad season.

A while back, VOT Council and Teslin Tlingit Council decided to add Tlingit to our stop signs. This project has taken a little longer than expected, but we are just in the middle of ordering the signs, so hopefully, they will be up soon.

Teslin – the community that works together

This is an extraordinary time of challenges and adjustments for everyone in the community. However, what is not unusual is this community working together. We are doing our best and have a resilient and strong community.

I know lots of Tesliners are quietly stepping up and helping their fellow community members. Please continue this practice, one that has existed in Teslin long before COVID-19.

Many, many thanks to all who are doing their part.

Gord Curran
Mayor of Teslin

Email: admin.teslin@teslin.ca

Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

We can all do our part to help keep the wild in wildlife.

Yukon
Environment

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

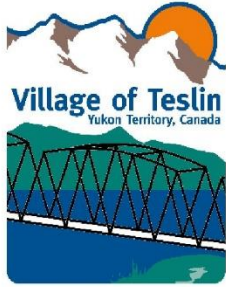

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.

Village of Teslin, PO Box 130, Teslin, YT
(867) 390-2530

The Village of Teslin is happy to announce that now you can easily use Interac e-Transfer to pay your bills.

It's simple to use, just add the Village of Teslin to your Interac e-Transfer recipient. Please see below for details:

- Add the Village of Teslin as a **Recipient** using the information on the screenshot below. Then click continue.

A screenshot of the 'Add Recipient' form. The form has a blue header with a back arrow and the text 'Add Recipient'. Below the header, there are several input fields: 'Name' with the value 'Village of Teslin', 'Nickname' with the value 'Village of Teslin', 'Email' with the value 'admin.teslin@teslin.ca', 'Mobile' with the placeholder 'Enter Mobile Number', 'Notify Recipient By' with a dropdown menu set to 'Email', and 'Preferred Language' with a dropdown menu set to 'English'. At the bottom of the form is a blue 'Continue' button.

- Type in the security question and security answer using the information on the screenshot below and click continue.

A screenshot of the 'Add Recipient' form showing the security question and answer section. The header is blue with a back arrow and the text 'Add Recipient'. Below the header, there is a grey box with the text 'Create a security question only the recipient will be able to answer.' Below this, there are three input fields: 'Security Question' with the value 'What town is the Village Office located?', 'Security Answer' with the value 'Teslin', and 'Confirm Security Answer' with the value 'Teslin'. At the bottom of the form is a blue 'Continue' button.

- Verify if the information you put is correct then click save.

A screenshot of the 'Add Recipient' form showing a confirmation message. The header is blue with the text 'Add Recipient'. Below the header, there is a grey box with the text 'Add This Recipient?'. Below this, there are several input fields: 'Name' with the value 'Village of Teslin', 'Nickname' with the value 'Village of Teslin', 'Email' with the value 'admin.teslin@teslin.ca', 'Notify Recipient By' with the value 'Email', and 'Preferred Language' with the value 'English'. At the bottom of the form are two buttons: a blue 'Save' button and a white 'Cancel' button.

- **On the message on the recipient section please type in your account number. It's located on the upper right corner of your statement.**

- A – Your account number
- B – The date of the statement printed
- C – How many liters you are over for the month
- D – Monthly Sewer Charge
- E – Monthly Garbage Charge
- F – Monthly Water Charge
- G – Service Charge for you past bill
- H – You will have a 10% service charge again due to the unpaid March bill
- I – Your total owing
- J – You are already cut-off if you receive a statement with amount owing on this box.

Please note that:

Any account unpaid after 30 days from date of invoice shall be considered to be in arrears and shall be charged a penalty of 10% of the total said invoice. Furthermore, the Village shall discontinue all services on any account unpaid after 60 days of date on invoice until overdue charges are paid in full. This shall extend to all utility accounts (water, sewer, and garbage), animal infractions, rental fees, and all other fees for services provided by the Village where those accounts are levied under the authority of a separate and distinct bylaw. (No GST)

EMERGENCY PHONE NUMBERS

Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!

EMO facts : TTC and VOT have a joint emergency plan.

Emergency plan working group is a group of Individuals from different agencies in Teslin working together to keep our community prepared in case of an emergency.

Thank you very much to all those who contributed to this month's issue, and special thanks to all those who shared their awesome photos.

To receive an electronic copy of the **Teslin Post** and/or if you would like to have something posted in the monthly issue, please email: teslinrec@teslin.ca or admin.teslin@teslin.ca

Any comments, suggestions, ideas, and photos are always welcome.
