TESLIN ROADS

We will be sweeping roads, patching potholes and cleaning culverts in the coming weeks, please watch for crews working. Speed bumps have been installed. Additional speed bumps have been installed on the sawmill road.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

The Village of Teslin's sewer truck is aging, and we can no longer guarantee providing pump-out services.

Northern Enviro Services from Watson Lake plans a weekly trip to Teslin to provide septic pump-out services, please plan ahead and schedule your pump-out by contacting their office at 867-536-7361.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and ensure the driver can safely access your fill spout.

We have received our new water license from the Yukon Water Board this will govern our drinking water wells and lagoon for the next 25 years.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements.

RECREATION

Our recreation department is working hard to provide programming while adhering to COVID-19 restrictions.

Lately we have noticed more vandalism to our community buildings, spaces and equipment. We work hard as a community to provide recreation to our residents please respect and care for our community spaces. If you witness vandalism, please report it to the Village office so we can address it. All reports will remain confidential.

Check out Receptions Facebook and calendar posted around town for programming during May.

PROJECTS

New Firehall/Public works yard

We have entered into a contract with Arctic Canada construction to design and build our new fire hall. You will see activity on the site in the coming months.

Fencing and a storage shelter will be constructed this summer on the new public works yard site.

Trails

We were successful with receiving funding from the Community Development Fund for the trail project and will be hiring labourers over the next few weeks to work on this project.

STAFFING

We are currently advertising to hire three slashers/labourers to work on the trail development project. Please drop off resumes to Cole by June 10th.

We are experiencing some staff shortages and are always for auxiliary staff, if you are interested in joining the team at the Village of Teslin, please drop off your resume.

OTHER

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

May 2021 Recreation Report

We used May as a bit of a transition month to prepare for an awesome summer and we are geared up for a busy June.

If you are a youth and would like to join us for the fun summer ahead, our **Summer Youth Recreation Job is posted**, with a deadline to apply of June 4th. This is a great chance for a young person to have a great summer getting paid to do fun things while developing leadership skills. We are looking for someone who wants to be a good role model, participate in activities and camps and have fun with us. Drop resumes off with Lindsay at VOT.

A group of us spent May focused on positive well-being by participating in the **4-week challenge**. At the time of writing, we had 10 participants submit their checklist for the first 3 weeks and are on track to be entered in the grand prize draw for a \$500 Air North Gift Certificate. Weekly \$50 GC draw winners have been Shelley Hassard, Rox-Ann Duchesne, and Camille Robitaille.

We wrapped up some special programs like Youth Martial Arts and Arctic Sports and thanks to the Yukon Aboriginal Sport Circle we look forward to resuming these programs in the Fall.

And now for what is to come in an exciting June.

The **Super Fun Season Starter Slo Pitch Tournament** will take place at the Teslin Ball Diamond June 4-6. We have 8 teams participating in this recreational tournament and there will be a beer garden fundraising for Teslin Minor Hockey. It is a family friendly event and we invite everyone to come out and enjoy the action at the ball diamond. The excitement leading up to the tournament has spurred some great evenings at the ball diamond. We will have organized **Community Ball** on Thursdays at 7 starting in June. **Youth Baseball** has also started up and thanks to our local RCMP coaches we are able to accommodate youth of all ages who are interested in playing ball. We have 15 youth signed up and have room for some more for this program running Thursdays at 3:30-5pm

May 2021 Recreation Report

Our Art Program will feature another guest facilitator on Saturday, June 5. Dee Bailey will be running a **Clay Workshop** from 10:30am-1:30pm at the Rec Plex. Come with an idea of your favorite tree and flora and all materials and instruction to create with clay will be provided. Please sign up in advance.

Young Explorers starts June 15. This is a program for those aged 4 and up who like to get out and adventure, learn about nature, and have fun exploring our natural environment. Sign up in advance.

The lake has opened up and we are ready to get on it with our **Warriors of the Water Canoe Program**. The weekly program will run Thursdays at 5pm starting June 3 and will help us prepare for our Nisutlin River Paddle Trip later in July. This program is for everyone and will teach basic paddle skills, trip planning and more. For more information on the program and to sign up please call. We will also be doing a **Paddle Leadership Camping Trip** to Takhini River June 15-18. This camp will be led by Paddle Canada instructor Jane Vincent and go a little deeper into moving water paddle skills and canoeing in a group. We will spend 3 nights home based at the beautiful Takhini River Campground while exploring different sections of the river on day trips.

There are many ways to enjoy the beautiful lake we live on and we want to make sure that everyone does so safely. **Swim Camp** is a program facilitated by certified lifeguard and instructor Willow Brewster to give us the skills to swim in the body of water where we live. The full week camp will run afternoons June 28- July 2 for ages 3-16. Our lifeguards will also lead a variety of special sessions throughout the week for all community members, parents with tots, and those who want to learn basic first aid and lifesaving skills. See the poster for more information.

Let the sun shine!!!

Looking to revive our board!

Teslin Historical & Museum Society

George Johnston Museum

Box 146, Teslin, Yukon Territory, Canada Y0A 1B0

Dear Teslin,

We have been closed to the public for almost 2 years now. During this time, we have been plugging away at important maintenance tasks and upgrades, adding new items to the collection and caring for items that have been in need. We have missed your visits, but we have good news: we will be open again, officially, on June 17. We hope you will come visit and see what we have been up to. This season, we hope to reconnect with the community and encourage active participation in the museum.

Community Gathering and Raffle

As a first step toward community engagement, we will be kicking off the season with a gathering on June 12th at 11:30AM. This will also be the date when the raffle draw takes place (at 12:30PM). There are still tickets available for a variety of prizes. The proceeds go towards maintaining various local heritage sites including the Canol Interpretive Site. This season coincides with the 10th anniversary of the opening of the Aeradio Range Exhibit; we will have some speakers reminiscing on the history of radio and air travel in Teslin. There will be live music and a lunch served. Please join us and see some of our upgrades!

Job Opportunities

We are still seeking applicants for 2 positions, including a grounds maintenance youth position under the Canada Summer Jobs fund. Applicants for this position must be 15-30 years of age. There is also an interpreter/visitors services clerk position to be filled. Please contact the manager if you are interested in applying.

We have enjoyed interacting with you over social media, but we truly hope to see you in person at the museum this summer.

Keep well, be safe, and gunalchéesh for your ongoing support.

Sincerely,

Ryan

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.
