## **TESLIN ROADS**

Winter is here! Please be cautious driving and walking as conditions can be slippery. Snow removal equipment will be out and about, so be aware and give equipment space to work safely. When removing snow from your yard or driveways please do not push the snow into the roadway or ditch.

If there are any concerns with the road conditions, please call the office.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Sunday, Monday, and Tuesday Closed to public

Wednesday, Thursday, and Friday – Noon to 6:00pm

Saturday – 10:00 am to 5:00 pm

**Make sure you stop and see the attendant before dumping.**

There is no afterhours access to the facility so please plan accordingly.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The Village of Teslin ten-year solid waste management plan is now complete and is submitted to YESAB for approval.

## **LAGOON AND SEWER SYSTEM**

All sewer lines are in good working order. Please be aware and careful of what is being flushed down the sewer system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

The Village of Teslin will be providing a temporary pump-out service for the community and surrounding area. Please phone TKO first for all pump-out requests these as VOT is only providing these services as a last resort.

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition.

**Please notify us if you will be away and not requiring water delivery.**

Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces, and obstacles.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

With the increasing demand for water delivery, schedules may be changed from time to time.

Over the next few months Council will be reviewing the Water Bylaw and associated fees.

## **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property, let us know and we can provide it to you.

If your female dog is in heat, please keep them secure in your yard or home to help avoid dogs packing in groups.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

## **PROJECTS**

The Fire department has moved into the new fire hall.

The tender for the energy upgrades to the municipal center has now closed and has been awarded and construction will start in the spring.

The equipment for the new playground in the Sawmill Road subdivision has arrived and installation will be completed in the spring..

## **FLOOD**

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing.

## **OTHER**

We are planning for future projects and we will be doing community consultation please respond as we really appreciate community feedback and your input is considered during decision making.

**The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.**

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

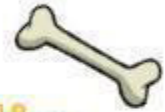

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

## Changes to Handling

# Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

## Pound Fees

### 1<sup>st</sup> Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

### 2<sup>nd</sup> Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.

## March Rec Report

The **Teslin Tigers Ski Team** have been enjoying the nice weather and exploring trails in and around town on cross country skis over the last few weeks. We are looking forward to a trip in to Whitehorse to ski the beautifully groomed trails at Mt. Mac on March 20.

**BYTE** was in the community with pizza again on February 16 and we had several of our 12+ youth hanging out and playing games . **YFNED** will also be back in Teslin in February to do a **Silk Screening** workshop with the older youth group on Feb 27 & 28.

**YFNED** hosted a **Hockey Mixer** in Haines Junction on the weekend of February 17-19 and luckily the postponement of the Lakespiel allowed Lindsay to take 4 youth to the event. We had a blast playing shinny and getting to know youth from other communities. Hockey games were supplemented with other activities like mural painting, hide tanning, and hand games. The weekend was capped off with a Hip Hop show from Whitehorse artists Local Boy and DJ Plant Daddy. Thanks to YFNED for a great weekend.

**The 4<sup>th</sup> Annual Teslin Lakespiel** was moved to the weekend of March 4 & 6, 2023. Here are some reasons why you shouldn't miss out on the best weekend of winter:

~ There will be a pancake breakfast in support of Teslin Minor Hockey 9-11 am Saturday and Sunday.

~ the coolest trophies in the north are back thanks to Lumel Studios.

~ We have a wicked prize package for **best Tail Gate set up** thanks to support from Thomas Electric

~ Deisleen Development Corporation is sponsoring a \$500 cash prize for **best team costumes**

~ Lilypad Landscaping has sponsored a \$400 cash prize for **best soup**.

~ we have a beautiful art print from Northwestel to raffle off

~ we will have a big fire going and can play under the lights thanks to Graham Infrastructure and Haywire Rentals...which means

~Games can start later in the day Saturday to accommodate people attending TTCs General Council

**SOOOOO GET REGISTERED TODAY!!!**

The **Parent & Tot Clothing, Toy and Book Swap** took place on February 11 in the arena lobby and several young families were able to take advantage of all the donations. The Saturday **Parent & Tot** play group will continue through March. Join us with your little ones for some socialization from 12-2pm in the Mezzanine.

We are teaming up with TTC Game Guardians, YG Conservation Officers, and the TRRC to run a **Youth Bison Hunt** in Champagne Aishihik First Nation territory March 7-13. The week will focus on winter camping skills, on-the-land training, and hunting etiquette. A series of **Hunt Pre-Sessions** took place in February including a **Winter Survival Skills, HEED course, Trapper Workshop**, and a mandatory **Gear Check** as part of our hunt preparation. The Trapper workshop had great participation from the 16 youth who signed up and thanks to a good turnout of TRRC and community members we were all able to have a great day out at Horse Camp and on the trap line run by Neil Cosco. We are stoked to get out to the Kloo Lake area in search of bison with the 9 youth who have signed up and completed the pre trip requirements.

Our current set of **After School Programs** have continued to have strong attendance and will run through March. Will work on some new spring programming to come out in April and that will run for the remainder of the school year.

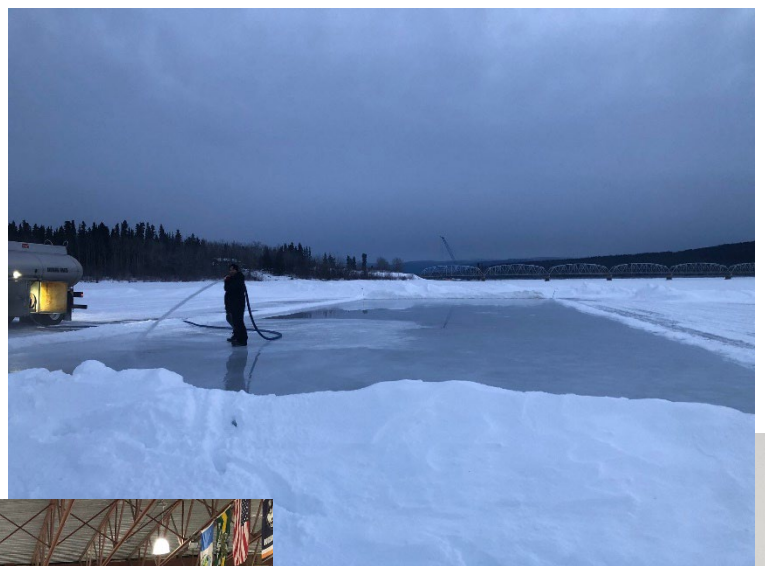

Instructor Greg Sanderson will be back in Teslin on March 17 to run a **youth boxing class** and **Women's Self Defence Class**. More details to come.

Some summer planning has begun and we are excited about a few things we have in the works including **Swim Camp** and a **Paddle Leadership Trip on the Teslin River**. Stay tuned for more information =)

The **Teslin Recreation Society AGM** will take place on March 20<sup>th</sup>. This would be a great opportunity for community members to come get a better understanding of what the Rec Society is about and give a voice to what you would like to see happen in Teslin. The Rec Society has also formed a **Seniors Subcommittee**, who have been responsible for organizing activities for the plus 55+ community which includes the annual seniors dinner, monthly socials, and **Carpet Bowling**- which has been taking place at the Rec Plex on Wednesdays at 1pm. We will be playing **Dominoes** on Wednesdays at 1pm at the 8-plex in March. We would love to get a few more people on the subcommittee so please join us at the Rec Society AGM.
