## **TESLIN ROADS**

We will be sweeping roads, patching potholes and cleaning culverts in the coming weeks, please watch for crews working. Speed bumps will be installed when sweeping is completed.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

## **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

The Village of Teslin's sewer truck is aging, and we can no longer guarantee providing pump-out services.

Northern Enviro Services from Watson lake plans a weekly trip to Teslin to provide septic pump-out services, please plan ahead and schedule your pump-out by contacting their office at 867-536-7361.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and accessible for the water truck and ensure the driver can safely access your fill spout.

## **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements.

Lately we have noticed more vandalism to our community buildings, spaces and equipment. We work hard as a community to provide recreation to our residents please respect and care for our community spaces. If you witness vandalism, please report it to the Village office so we can address it. All reports will remain confidential.

Check out Receptions Facebook and calendar posted around town for programming during May.

## **PROJECTS**

### **New Firehall/Public works yard**

We have hired Colliers Project Leaders to assist us with project management of these two projects. We are working through the design of the firehall and hopefully we will have a design to present over the next month.

Fencing and a storage shelter will be constructed this summer on the new public works yard site.

### **Trails**

We are planning trail development this summer and are waiting to hear back from project funders.

# April 2021 Recreation Report

April was a bit of a re-group month after a busy, fun-filled winter. We wrapped up a great hockey season and fun youth cross-country ski season in mid-April. Bonus winter sport time was our silver lining of the long-drawn-out winter. Thank you to the coaches and parents who came out to support an amazing minor hockey season. The improvement of the kids this year was off the charts!!!

Hopefully we can see similar skill development with our **Youth Baseball** program this year. We will run baseball practice with the RCMP on Thursdays after school starting May 6. We will be in the arena until the field has dried off. This will be for all ages (split into skill groups) and require registration with Rec.

We are excited to be planning a **Super Fun Season Starter Slo Pitch Tournament** the weekend of June 4-6. This will be a fun, family friendly weekend at the ball diamond. Teams can be a max of 12 players with a minimum of 3 females. Cost is \$300/team and registration can be done by emailing [teslinrec@teslin.ca](mailto:teslinrec@teslin.ca)

April was a great month of guest facilitators thanks to the Yukon Aboriginal Sport Circle. Boxing coach Reggie was out to run a great training session mid-month and Tyler was out teaching us some of the MANY different Arctic Sport disciplines throughout the month. The **Arctic Sport Competition** to wrap up this program has been moved to Saturday, May 15. We invite the whole community to come and try out some of the sports or simply cheer each other on. We love spectators and community involvement!!!

And there is lots more to look forward to in May too!

Our Community Art Program has continued to explore a variety of different creative mediums on a weekly basis. Join us to learn the art of **Cake Decorating** in a 2-part workshop on May 7 & 8. We will be making icing and decorations Friday evening and assembling cakes Saturday morning. Participants must prepare their own cake, but all other supplies for decorating will be provided. Cakes will then be on display (and then eaten... 😊) at the **Mothers Day Tea** from 1:30-3pm on Saturday, May 9. All are welcome to come vote on their favorite cake, enjoy some afternoon tea and light snacks in honor of all the moms in our lives. Art Night on May 5 will focus on making table runners and centerpieces for the Tea. Sign up with VOT.

# April 2021 Recreation Report

Thanks to support from the Recreation and Parks Association of Yukon (RPAY) we have a new RHEAL Leader in the community. Judy Ratcliffe will be facilitating **Running Club** meeting in the Rec Plex parking lot at 5pm on Tuesdays and Thursdays. Judy is also interested in leading walks and hikes. Please contact her if interested in joining.

We have seen increased interest in using the exercise gym. While we wish to encourage everyone to take steps towards good health and fitness, we wish to remind people that improper use of equipment and lifting too heavy can have adverse effects and lead to injury. For those just getting started it can be best to start with baseline functional fitness and bodyweight exercises. If you would like some support in getting a good program started, please don't hesitate to ask. We will be starting up a **Youth Strength Training Program** on Fridays at 3:30pm and have continued to run our **Adult Fitness** Mondays & Wednesdays at 5:30pm. Come join us!!!

We will also be starting **The 4 Week Challenge** again on May 3. The 4 Week Challenge is a checklist of lifestyle guidelines to help you achieve physical and emotional well-being. The guidelines cover a broad spectrum of positive behaviours that reinforce good habits and act as daily reminders that the little things really do add up! We will be running it as a participation-based contest, just encouraging people to do their best. Regardless of checkmarks earned, if you make an effort to fill out the checklist you can send it in at the end of each week to be entered in to a draw for a gift card or gym membership. If you submit your checklist each of the 4 weeks you will be entered in to the grand prize draw of a \$500 Air North Gift Certificate. The 4 Week Challenge is open to everyone and we have modified the checklist for kids. Sign up by emailing [teslinrec@teslin.ca](mailto:teslinrec@teslin.ca) to receive your checklist each week.

Our Summer **Youth Recreation Job opportunity** will be posted in May. The deadline to apply is June 4<sup>th</sup>. This is a great chance for a young person to have a great summer getting paid to do fun things while developing leadership skills. We are looking for someone who wants to be a good role model, participate in activities and camps and have an awesome summer. Drop resume off with Lindsay at VOT.

The background of the poster is an abstract, textured artwork. It features a large, vibrant purple brushstroke that curves across the top and middle sections. Below this, there are various shades of blue, teal, and green, with some yellow and orange accents, suggesting a watercolor or mixed-media style. The overall composition is dynamic and artistic.
