Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

TESLIN ROADS

Roads are in spring driving conditions. We will be teaming culverts and cleaning ditches so watch crews working.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

Recycling center is open to the public, though people are asked to count their own recycling.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khil Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If your female dog is in heat please keep them secure in your yard or home to help avoid dogs packing in groups.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

RECREATION

Thanks to the community development Fund we have received funding to build a new playground in the Sawmill Subdivision the playground will be built on lot 14 in Charlie Jules Subdivision.

PROJECTS

Construction continues on the new firehall and will continue through the Spring.

The new firetruck has been ordered and we eagerly await its arrival sometime in 2022.

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Design and Engineering continues the Energy upgrade projects for the Recreation Center and Municipal Center.

Planning for one more storage building in the public works yard is underway.

FLOOD 2022

The latest snow bulletin indicates that Teslin has a high risk for high water again this year. We are preparing for the high water, stop by the office if you have any questions or concerns.

OTHER

The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test please call the office.

Village Council meetings have returned to the Council Chambers and the public is welcome to attend in person or via zoom.

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Message from the Mayor

May 2022

The signs of spring are finally here, including slightly warmer temperatures and melting snow – which is good and bad. Here is an update on matters the council has discussed over the past month.

Our council meetings continue to feature well-rounded and active discussions on issues facing the community. This council is very forward-minded and deals with the issues facing Teslin today while keeping an eye on the community's future beyond this term. You can only do so much in a three-year term, and we will deliver on several initiatives and projects this term. However, we are also responsible for setting in motion projects and initiatives that future councils will carry through. Many of our larger projects take several years of effort, from concept to planning to delivery. While much of this vision is captured in our 10-year Joint Community Development Plan with Teslin Tlingit Council, it is integrated into almost every decision we make, large or small. We want to set future councils up for success. For example, we recently discussed the future growth of Teslin and lot development, an initiative we are actively working on with TTC and YG. We may not see lot development during this term, but we need to do the upfront planning before securing funding and proceeding to development. This takes several years. Of course, an increase in houses means a demand for more services, and we need to plan for that.

As I said in my last report, the council and administration are concerned about potential flooding as we move into the spring melt. Our administration has been anticipating spring flooding for a while and developed a Flood Mitigation Plan over the winter, including long-term solutions such as berms and shore erosion mitigations. We have been working with TTC Lands to secure funding from the territorial and federal governments to fund the plan. Discussions are continuing, and we hope they will conclude soon so we can start work. YG has assured us that emergency funding will be available in the event of flooding (or when?), and our public works know what needs to be done. Property owners should also be preparing. Cole Hunking is always available as a resource.

Loose dogs were discussed at length at our last joint meeting with TTC. This is a reminder that dog owners are responsible for keeping their dogs on their property, whether by a fence, leash, or electronic collar. This is for the safety of your dog and other community members. For many years, TTC and VOT have also offered a subsidy to spay or neuter your pets. Please get in touch with the office to learn more about the program. We encourage you to take advantage of it.

TTC and VOT councils will be meeting with the Minister of Health and Social Services in early May to discuss the *Putting People First* and *Aging in Place* initiatives. *Putting People First* is about changing how health care is delivered in the Yukon. *Aging in Place* is about elders and seniors care in the Yukon. Both TTC and ourselves are very curious about how these initiatives impact services in Teslin.

COVID is still with us, but this phase emphasizes strong individual awareness of your behaviour and the wishes of others. Be aware of your own health and the spaces you are in. We ask that you remain respectful of other community members, and above all, be careful, respectful, and kind to one another.

As our new fire hall approaches completion in October 2022, a tender seeking Tlingit artists to guide the work of designing and installing artwork on the exterior will be released shortly. Council wanted to ensure that the building was not just another municipal building, and as part of that, we are installing artwork on the exterior.

As with every newsletter, I extend a big thanks to our staff, who work tirelessly behind the scenes to diligently deliver services day in and day out. We can make all the decisions we want as a council, but it means nothing without a dedicated team that works daily to make this community a better place to live.

Gord Curran

Mayor of Teslin

April 2022 Recreation Report

We again did the **4-week challenge** in Teslin for the month of April. A group of us spent the month focused on positive well-being and making healthy daily lifestyle choices. At the time of writing, we had 17 participants submit their checklist for the first 3 weeks of the challenge and are well on track to be entered in the grand prize draw for a \$500 Air North Gift Certificate. Weekly \$50 GC draw winners have been Mike Hodgson, Tennelle Blake, and Trisha Boutilier.

We wrapped up a great season with the Teslin Tiger cross country ski team with a fun and sunny ski outing to Teslin Lake Campground at the beginning of April. One of our youth designed a logo for the newly named team, which we have had made in to ski bibs that we are super excited to show off next ski season!! **We are seeing increased participation in many of our recreation programs, and we love it!!**

We are continuing to try and build meaningful programs that help youth develop skills and interests in a range of recreational pursuits. To do so, we put effort in to planning program sessions and have asked parents to help us out (so we can plan accordingly) by:

- Ensuring your child is signed up prior to sending them to a program
- Giving us a heads up when you know your child will not be at a program
- Making sure your child is actually interested in the activity
- Letting us know about changing interests

S.T.E.M. Club is a program for those who like to learn, create, build and experiment, and it takes place on Thursday evenings. We have had so many kids coming out that we had to split in to 2 groups. Group 1 goes from 5:30-6:30 and Group 2 from 6:30-7:30pm. We will run the program until the end of the school year and could possibly accommodate a couple more participants.

We are also at capacity for **Youth in the Kitchen** and have split in to 2 groups for this program that teaches kids about the importance of healthy eating and how to prepare a range of recipes (and even some treats). Groups will alternate weeks Tuesdays after school.

Teslin Recreation

April 2022 Recreation Report

We also have great sign-up for our other after school programs like **After School Sport** (Wednesdays) and **Young Explorers** (Fridays) but can still manage the group all together. We are excited for having the large numbers as we head in to baseball season. This year we will be running the **Rookie League Baseball** program on Thursdays 3:15-5p. This is a program supported by the Toronto Blue Jays- Care Foundation and Softball Yukon. The goal is to get youth in the community trained to become the leaders to run the baseball program through the school or community recreation program, and have all the youth led teams get together for a fun tournament day in Whitehorse. This year we had 3 young people (Channing, Xavier and Emma) head to Whitehorse for the training on April 23rd, and we will aim to take a large group of Teslin kids in for the **Rookie League Tournament** on June 4 in Whitehorse.

We have a busy couple weeks for our Community Art Program before we take a break until fall. Ammanda Partridge will be here to lead a **Canvas and Acrylic Paint Workshop** on Saturday, April 30, and local facilitator Ayla Dunn will lead a session making epoxy art pieces on Wednesday, May 4. Ammanda will return to wrap the program up for the season with a session painting a **Teslin Landscape with water mixable oils** on Wednesday, May 18.

The recreation team will be joining Deisleen Culture, TTC Lands, and some Elders on the Teslin River May 7-13 for a traditional **Beaver Hunt**. It has been several years since this hunt took place and we are super excited to be taking part along side such a great group of facilitators, returning youth hunters who are grown up, and the next generation of beaver hunters. We hope to respectfully harvest beaver and ducks, set fish net, explore areas down river, and might even bring a couple canoes.

Deadline to sign-up to join for this week-long land-based camp is May 2. Mandatory gear check will be May 3 and we will aim to head out on the river Saturday morning from Johnson Crossing, May 7. Departure date will depend on ice conditions on the river.

Teslin Recreation

April 2022 Recreation Report

Our young dream team of recreation workers- Hailey and Jed have been busy! Not only have they been the lead on all the above-mentioned programs, they have also been taking course as part of the **Recreation North – Certificate in Northern Recreation Leadership program**. This program builds and connects community recreation leaders through a series of 2 week learning events catered to life in the north. They are currently on their 2nd course.

They will also be taking Kingston to the annual **Leader in Training (LIT) Conference** hosted by BYTE from May 20-22. The crew will meet with youth from all over Yukon to talk about what matters to them and how to improve things for the youth and their communities. I'm proud of them for their willingness to take on these opportunities and expand themselves as leaders, which they certainly are.

Meanwhile Lindsay will be off to Newfoundland in May for meetings as a member for the board of directors for the Canadian Parks and Recreation Association (CPRA).

GO TEAM REC!!!!

we want you to enjoy getting outside...but remember

RIGHT NOW

DISTANCE

MAKES US

STRONGER

stay 6 feet apart

#StopTheSpread

even on walks and bike rides

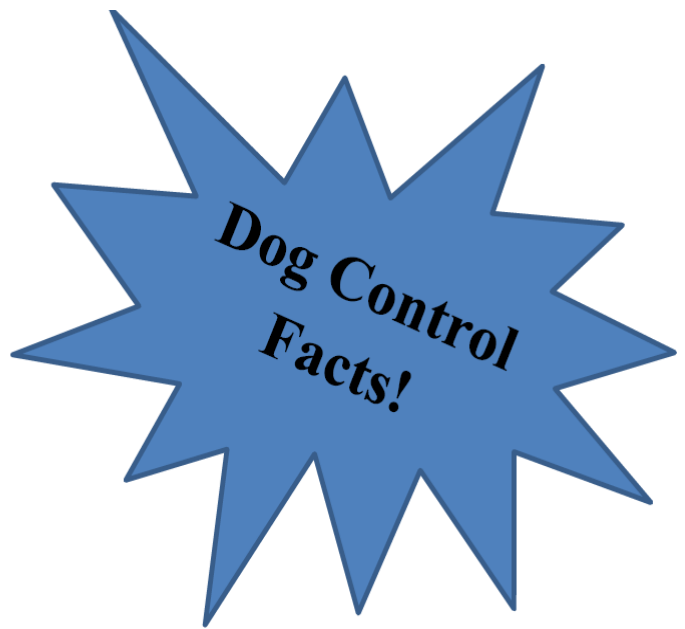

or hangin with friends

Teslin Recreation is still working to provide the community with things to do during the COVID-19 shutdown.

The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go....

Please follow us, so you don't miss out!!!

All dogs must be licensed with the Village Of Teslin. There are two programs sponsored by YG & TTC/VOT to assist dog owners with the vet bill to have your dog spayed or neutered. Dogs running at large (off their property & not with the owner) will be picked up by the Village of Teslin. We only hold dogs in our pound for 3 business days after that the dog will be relocated or re-homed.

Pound Fees

Licensed Dog – First offense \$75.00

Unlicensed Dog- First offense \$100.00 plus the purchase of a license \$80.00

Cost of License

Not spayed or neutered - \$80.00

Spayed or neutered -FREE

Please Note

Citizens can catch & hold any dog that is running at large & turn the dog over to the Village Of Teslin

For more information please contact the Village Of Teslin

Phone: 867-390-2530

Email: admin.teslin@teslin.ca

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.

Village of Teslin, PO Box 130, Teslin, YT
(867) 390-2530

"Teslin Volunteer Fire Department"

Make a difference

Join us - Volunteer!
Your EMS team needs your help

With Yukon EMS you will

- Challenge yourself
- Meet new people
- Serve your community; be a leader
- Learn valuable skills (like lifesaving first aid)
- Earn some money (when on active duty and on call)
- Most of all, you will make a real difference helping sick and injured patients

DO MORE THAN YOU
IMAGINED POSSIBLE!

is scheduled every
2nd & 4th Tuesday of the month at the
Village Fire bay.**

**Teslin EMS Meeting & Training is
scheduled every 1st & 3rd Tuesday of
the month at the Ambulance Bay**

EMERGENCY PHONE NUMBERS

Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!
