## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

This is a great time to remind people you can purchase a landfill punch card for \$20.00 at the Village office.

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

Please ensure your recycling bins are at the end of your driveway by 9 am on Wednesdays.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

# October 2020 Recreation Report

Happy Halloween Teslin!!!

COVID again posed challenges to how and what we could do when it came to Halloween this year. Even though we weren't able to host a Halloween dance, we were still able to have some fun with a family pumpkin carving night and haunted house. We had roughly 90 people come through the arena over the couple days we were set up and the screams and laughs were great. Thank you to the great crew of staff and volunteers who came together to pull off an elaborately decorated and scary haunted house for the community to enjoy!!!

Our young rec workers wrapped up their work term after a great few months leading programs for the community. Thank You Cassie and Destiny for your work over the past months! Thanks to the Government of Canada and their Canada Summer Jobs program another opportunity to work with recreation will be posted this fall. We would also like to welcome Kelsey Howard to the team. She started up with recreation in October.

**The Community Art program** continues to run with full participation on a weekly basis. We have applied for funding to continue running this program through the fall and will be adding some 'skill builder' painting sessions in addition to the beginner style classes. We wish to continue encouraging local artist to join us in facilitating classes in a variety of artistic mediums!

**Badminton** at the Rec Plex resumed in October and will continue running Tuesday nights at 7pm. **Pickleball** moved in to the Rec Plex this month when the ice went in to the arena. Pickleball is a great game for all abilities, and takes place over the lunch hour on Wednesdays. Come on out and give it a try!

**Kids Club** has moved from Wednesdays to Thursdays after school. We have full registration in this program, so please let us know if your child is no longer interested or able to participate and we can give another child the opportunity to join. **Boys Club** with Jordan is back on Thursdays and will run from 5:30-7:30pm for boys 10 and older.

# October 2020 Recreation Report

We have a new program starting in November. **DIY Life Hacks**, running Mondays from 7-9pm is a program focused on *Do It Yourself* projects to make your life easier, happier and healthier. Guest facilitator Brandy Golebeski will share creative 'life hacks' that may help you in the kitchen, around the house, and in life every Monday until Christmas. Please sign up in advance by calling VOT.

Archery has been going great with a younger group of children showing strong interest in it. We will take a little break though (so we don't burn the interest out) and add public skating to this after school time slot on Fridays. Anyone wishing to skate must have a public skating waiver form filled out.

**Hockey is back!!** Because of COVID-19 we have had to establish Arena and Return to hockey guidelines for adult hockey and minor hockey. Please ensure you have reviewed these documents, registered and paid any fees prior to stepping on the ice. Thank you for your support in working with us to ensure a safe and enjoyable hockey season for all.

The Rec Plex is again a buzz of activities and meetings happening more regularly and we kindly remind everyone that we can only remain open if everyone does their part to abide by the COVID precautions and safe 6 guidelines. Thank You!

# Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

## What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

**We can all do our part to help keep the wild in wildlife.**
