Village of Teslin

September 12, 2022
Regular Council Meeting
Minutes

Meeting # 14-22

Members Present: Mayor Gord Curran
Councilor Luc Johnstone
Councilor Jeff Myke
Councilor Trevor Sallis
Councilor Juanita Kremer

Members Absent:

Public Present:

Mayor Gord Curran called the meeting to order at 6:35 p.m.

1. Adoption of Agenda

1. Adoption of the Agenda for September 12, 2022.

69-14-22

Moved by Councilor Sallis;

Seconded by Councilor Johnstone;

BE IT RESOLVED that Village Council approved the agenda with the following additions:

7. SUHE Update

8. Leave of Absence - Councilor Sallis

9. Minister Mostyn meeting briefing

~Carried~

2. Adoption of Minutes

- 2.1. Adoption of the Minutes for August 8, 2022 Minutes Enclosed.

70-14-22

Moved by Councilor Sallis;

Seconded by Councilor Johnstone;

BE IT RESOLVED that Village Council approved the minutes as presented.

~Carried~

3. Hearing of Delegations and Individuals

- 3.1. July and August 2022 RCMP report.
Information

4. Reports and Recommendations of Boards Established by Council

5. Reports from Village Administration, Standing or Special Committees of Council

1. August 2022 CAO Report
Information
2. August 2022 Recreation Report and September 2022 Calendar
Information
3. July 2022 Financial Report

71-14-22

Moved by Councilor Sallis;
Seconded by Councilor Myke;

BE IT RESOLVED that Village Council approved the July 2022 financial statements as presented.

~Carried~

6. Receipt of Notice of Motion to be considered at a Subsequent Meeting of Council

7. Consideration of Items of Correspondence

- 7.1. Letter from RCMP Divestiture Lot 5 & 7 Johnston Ave
Information

8. Consideration of Items of Accounts Payable by Village

- 8.1. August 2022 Accounts Payable

72-14-22

Moved by Councilor Myke;
Seconded by Councilor Kremer;

BE IT RESOLVED that Village Council approved August accounts payable in the amount of \$1,016,579.56
~Carried~

9. Introduction and Consideration of By-laws

Councilor Kremer declared a conflict of interest and left the Council table.

- 9.1. Third and Final reading of Bylaw #22 - 250 Development Incentive Bylaw.

73-14-22

Moved by Councilor Myke;
Seconded by Councilor Johnstone;

BE IT RESOLVED that Village Council had a third and final reading of Bylaw #22 - 250 Development Incentive Bylaw.
~Carried~

Councilor Kremer returned to the table once the resolution had passed.

10. New and Unfinished Business

1. Firehall Project Update
CAO updated Council on the new Firehall construction.
The Firehall is substantially complete and a lease has been signed with EMS for their area.
2. Award contract for artwork on the new Firehall

74-14-22

Moved by Councilor Johnstone;
Seconded by Councilor Sallis;

BE IT RESOLVED that Village Council approved awarding a contract to Doug Smarch Jr. for option one in his proposal for artwork on the new Firehall if it is within budget.
~Carried~

3. Award Contract for Cold Storage Building at new Public Works Yard

Village Council gave direction to the administration to negotiate with the contractor to be closer to the budgeted amount.
4. Municipal Term Survey
Information

5. AYC Update

6. Projects Update
7. SUHE Update
Mayor Curran updated Council on the committee meeting he attended.
8. Leave of absence - Councilor Sallis
Councilor Sallis will be absent until November 2022.
9. Minister Mostyn meeting briefing
Mayor Curran and Councilor Johnstone updated Council on the meeting they attended with Minister Mostyn earlier in the day.
11. **Question Period**
12. **Closed Session**
13. **Scheduled meetings and other important dates for Council**
 1. Scheduled Meetings
14. **Adjournment**
Meeting adjourned at 8:10pm.

Gord Curran, Mayor

Shelley Hassard, CAO

Calendar
Upcoming Council
Meetings: October 11, 2022
October 24, 2022

Meetings begin at 6:30 p.m. in the Council Chambers at the village office. Spectators are always welcome and the floor is open for questions at the end of the meeting.

Those wishing to make a formal presentation to the village Council should speak with the village CAO (Shelley Hassard) well before the specific meeting.

Administration Report

September 2022

TESLIN ROADS

All roads are in fall driving condition. Please be cautious driving if there is an early snowfall.

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to

6:00pm Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

There will be construction at the landfill this fall to prepare the ground for scale installation, so expect some delays at the landfill.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khiel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/ WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery.

One water truck needs repairs, so we are operating with only one truck, please be patient as delivery times may be irregular.

Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces and obstacles.

With the increasing demand for water delivery schedules may changed from time to time. Over the next few months Council will be reviewing the water bylaw and fees.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property let us know and we can provide it to you.

If your female dog is in heat please keep them secure in your yard or home to help avoid dogs packing in groups.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

RECREATION

Stop by and chat with the recreation team.

PROJECTS

We will be moving into the new firehall in October.

The tender for the energy upgrades to the municipal center is advertised and closes end of October. The lighting upgrades to the municipal center and recplex is complete & plumbing upgrades will be complete October.

The equipment for the new playground in the Sawmill Road subdivision has arrived and installation will be completed in October.

FLOOD 2022

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing throughout the fall/winter.

OTHER

The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.

Village Council meetings have returned to the Council Chambers and the public is welcome to attend in person or via zoom.

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

Message from the Mayor

October 2022

As we enjoy the last bit of fall and prepare for winter, here is an update on matters the Council has discussed over the past few months.

Over the summer, our Council met once a month in June, July, and August instead of our normal twice a month. Although we met less frequently, our Council was no less engaged in community affairs as Deputy Mayor Juanita Kremer and councillors Trevor Sallis, Jeff Myke, and Luc Johnstone kept plugged into the community in a variety of ways. Our Council continues to demonstrate an interest in issues facing the community by actively engaging in well-rounded discussions. Our ability to reduce council meetings over the summer is also a testament to our outstanding staff, who ensure everything runs smoothly.

This past July, we completed the first phase of our permanent flood mitigation by building two earthen berms in Smarchville. Our staff project managed and started this work before the flood in June forced us to move to temporary measures. We are planning additional permanent mitigations in the spring, particularly along Jackson Ave., where this year's floods threatened one of our lift stations and the Seniors Complex. As usual, we are working collaboratively with Teslin Tlingit Council and will consult the public over the winter on these future developments.

Although the flood is well over, I wanted to commend our staff, who put in countless hours in June and July managing our flood response, and our local contractors, who stepped up and worked intensely over a very short period of time. As usual, TTC and VOT worked closely together for the betterment of our community, including committing our respective staff to efforts. There were ten flood events in the Yukon in June, and only Teslin managed theirs locally. The Yukon Government managed all others. Minister of Community Services Richard Mostyn visited Teslin in September and expressed his appreciation of Teslin's efforts since Emergency Measures had an active flood season. He cited Teslin as a role model for collaborative community response to emergencies.

Our new fire hall is almost complete, and the Teslin Volunteer Fire Department and local EMS will be doing a public event soon to commemorate its opening. Many thanks to the administration for a job well done. They worked closely with the project manager, Colliers Project Leaders, and the builder, ArCan, to ensure the building met expectations and came on budget and on time. Given the volatility of prices and the disruptions over the past two years, that is a significant accomplishment. We will be installing artwork on the outside sometime next spring, so it does not look like just another fire hall in the Yukon. We also had to keep up with our new neighbours, the George Johnston Museum.

Speaking of artwork, it would be nice to see more around town. As part of this, recreation brought in the Yukon First Nation Education Directorate to work with our youth to paint our recycling trailer, which sat in the Recreation parking lot in July and August before recently being moved back to the Solid Waste Transfer Station. While some of the artwork may cause pause for some of us of an older generation, it was a wonderful project for our youth who expressed themselves constructively and showed that they have all kinds of untapped potential. They also painted the wall on the skateboard park, which is definitely an improvement. Perhaps, a larger mural project involving the youth is in the future. It would be nice to see mural installations around the community.

We are also looking at reimagining our marina, which is showing its aging and needs enlargement. At a recent meeting, Council received a presentation from Colliers Project Leaders on a concept for a new marina. It will include a breakwater and a longer dock. A second phase after the Nisutlin Bay Bridge project is complete will consider more parking which is desperately needed. The project is still conceptual, and we will ask the public their opinion on a few things in the coming weeks.

As with every newsletter, I extend a big thanks to our staff, who diligently work tirelessly to deliver services day in and day out. We can make all the decisions we want as a council, but it means nothing without a dedicated team that works daily to make this community a better place to live.

However, this report also includes a sadder note because our Chief Administrative Officer, Shelley Hassard, is leaving the Village of Teslin to become the Executive Director of the Association of Yukon Communities. Shelley provides outstanding leadership for our administration and plays a crucial role in fostering a terrific team that makes our day-to-operations run smoothly. She does a significant amount of work quietly behind the scenes to improve our community. Council and our operations team will miss her greatly. While we are sad to see her leave VOT, we are glad she is staying in the municipal world and helping all Yukon communities in her new role with AYC. Her last day as CAO will be on October 14. Please stop by to wish her well.

Gord Curran

Mayor of Teslin

A Farewell to our CAO, Shelley Hassard

In September, our Chief Administrative Officer, Shelley Hassard, announced she was leaving the Village of Teslin to accept the position of Executive Director with the Association of Yukon Communities (AYC). We are going to miss her greatly.

Shelley started working for VOT in 2012 when she was hired as Treasurer. In 2014, Council promoted her to Chief Administrative Officer following the retirement of Frank Thomas. Although initially hesitant to take on the responsibilities of CAO, Shelley gradually got comfortable with the role and quickly became a tremendous asset to the municipality. Never one to seek attention, Shelley always stayed in the background and made sure things ran smoothly. She worked diligently with her staff to improve their capacity and was committed to outstanding service delivery in a small community. She continuously sought ways to improve services while maintaining efficiencies and the financial viability of the municipality.

She also kept Council up-to-date on current and emerging issues and was responsive to Council requests. She consistently provided an excellent analysis of situations with thorough fact-checking and follow-through on issues affecting VOT. When issues came to Council, she always had well-thought-out options to present, allowing for a full discussion of the issue. Likewise, she always followed through on Council requests or brought back additional information for consideration. She worked diligently to prepare Council and give them time to consider major issues facing the community and municipality.

Every year brought more projects, many with our primary partner, Teslin Tlingit Council, with which Shelley maintained an excellent working relationship. Her leadership and attention to detail, especially around financial management and funder relationships, played a key role in the success of many projects VOT, alone or jointly with TTC, undertook during her time as CAO. These projects included roadworks, lift stations, fire hall, public works yard, trail development, and many other smaller projects. It is a significant list of projects for a community of Teslin's size with a small municipality. Teslin benefitted from her willingness to take on projects that improved the community.

There were other projects as well. Shelley also managed the revision of the Official Community Plan (OCP) and Zoning Bylaw, important documents that provide the roadmap for future community development. This major undertaking included substantial public consultation and was finalized during the pandemic. We also updated several bylaws over the years. Council could always count on a thorough evaluation of a bylaw's purpose and a lot of common sense in its revision and application. She also restarted the boundary expansion discussion with TTC, an important project for both VOT and TTC.

Shelley also excelled during some tense situations. During the pandemic, VOT kept its doors open, maintained most of its municipal services, and continued work on various projects. She also led the community's Emergency Interagency Committee with regular calls with various Teslin organizations. Of course, she also played a key role in managing our flood responses over the past two years. Teslin remains the only community to manage its own flood response in the Yukon. This is a testament to Shelley's leadership.

Her peers also respected Shelley, and she received the Employee of the Year Award from the AYC in 2018. She is the consummate professional and will be missed at VOT, although we look forward to continuing to work with her in her new role at AYC.

We wish her well. We know she will not be far.

From the Mayor Gord Curran

September Rec Report

Prepared by: Lindsay Johnston, Rec Manager

The Summer Student Wrap Up Party complete with games, pizza making and a pie-in-the-face event took place Sept 2. Our Rec Students went around asking all the other kids who participated in programs throughout the summer which rec staff they wanted to 'pie' and the result left both Channing and Hailey with a face full of whipped cream. Good laughs had by all.

The Mature Golfers played one last round on Sept 22 at the Meadowlakes golf course before hitting the Wolf's Den for Lunch. Thanks for some great days on the golf course to all who joined throughout the summer; we are already looking forward to next season and hope we will have others join in the fun!!

The Teslin Super Fun Slo-Pitch Tournament took place the weekend of Sept 23-25 and the 8-team tournament was a blast!! On top of the great involvement from teams, we had a great amount of support that helped make this such a successful weekend and community event. Thank you to Graham Infrastructure for all the effort in setting up the lighting so that we could play our evening games safely; to ATCO Frontec for their cash sponsorship that was put towards umpires and cash prizes to winning teams; to the Taku Sports Group (Sports Experts) for the donation of a prize package that was awarded to the Most Sportsman Like Player (Glenda Abel); and to LiliPad Landscaping and the VoT Public Works team for the amazing job getting the field ready and in pristine condition for the weekend. What a blast!! Fall ball tournaments might have to become an annual thing here in Teslin ;)

The Rec Society has been rebuilding as a non-profit society here in Teslin with monthly meetings being held on the 3rd Monday of the month at 5:30pm in the council chambers. All are welcome to attend our meetings and provide input and feedback regarding the recreational wants and needs of the community. The Rec Society has also decided to absorb the work of the seniors committee and put a little more focus on getting the 55+ population out for more social and recreational events. They will be hosting a Seniors Lunch on Thursday, October 14 at noon at the rec plex. All 55+ community members are invited to join!

Registration forms for our Fall After School Programs and Youth Club have gone out. We will be splitting After School Sports into two groups with group 1 running Tuesdays and group 2 on Wednesdays. Thursdays will alternate between Art Afternoon and Kids in the Kitchen and Fridays will continue to be Young Explorers. These are interest-based registration programs. Forms went home with the kids at school.

September Rec Report cont.

Group Fitness will resume on the new days of Tuesday & Thursday starting October 11. There is also a new time for Archery, which has returned to the Rec Plex, on Tuesdays @ 7pm. The Yukon Aboriginal Sport Circle (YASC) will be out October 16 to run an Archery NAIG Selection Shoot in Teslin. This will be done out at our new 3D Archery course starting at 2pm and meet at the Ball diamond. This event is open to ages 13-19 from Teslin and neighboring communities.

We have had a volunteer step up to run Badminton at the Rec Plex on Mondays and Fridays from 6:30-8pm (when available). Pickleball has moved back to the Rec plex on Wednesday nights at 7pm and Volleyball will kick back up at the School on Saturday nights at 7pm.

We will resume our Community Art Program on a workshop/event specific basis again in October with the first session being Epoxy Art with Ayla on Tuesday, October 11 @ 6pm. If you are interested in getting involved with this program as a participant or as a facilitator, please contact the village office.

It's Hockey Season!!! The ice is going back in to the arena starting the first week of October and we are planning for the minor hockey and adult hockey season to start up mid October. Minor Hockey will run Mondays and Wednesdays this year with some new groups and times. Stay tuned for details that will come out of the Minor Hockey Kickoff Party on Monday October 17. This will include a Dinner, Awards, Parents Meeting, Registration and Teslin Minor Hockey Association AGM at this event starting at 5pm at the Rec Plex. Players must be registered before stepping on the ice. First practice will be Oct 19.

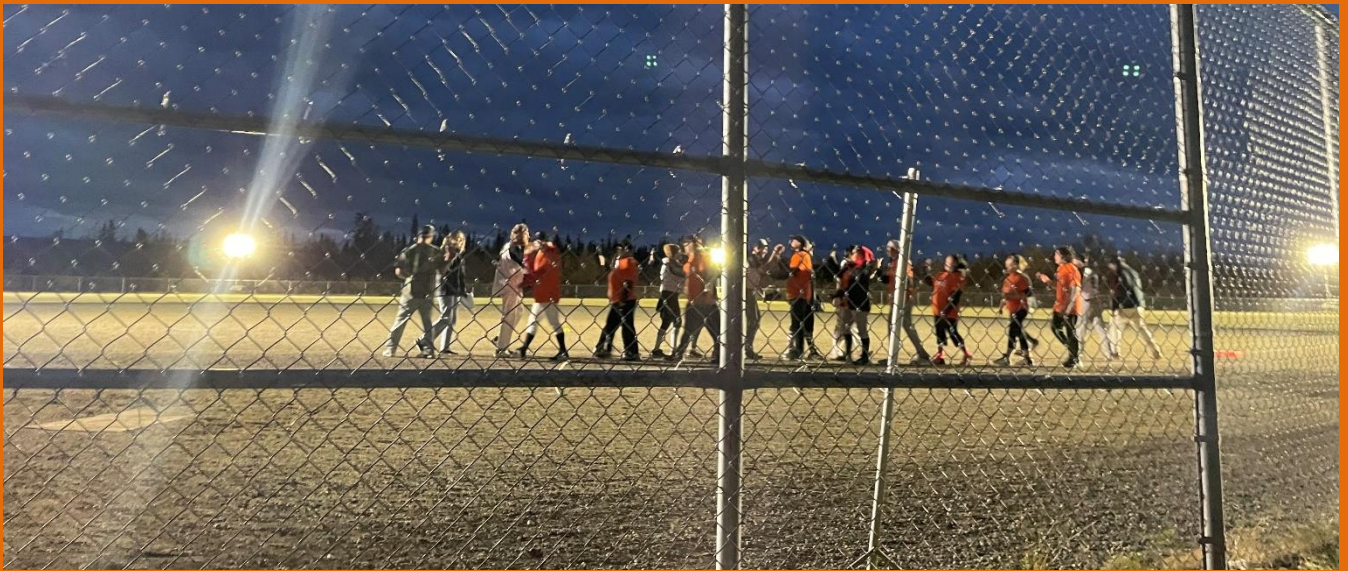

Adult Hockey season will run Tuesdays and Thursdays with puck dropping at 7pm starting Oct 18. The early bird registration deadline will be Oct 12. After that the \$150 registration fee will go up. Please pay fees at the village office. The arena will be available for Public Skating Fridays from 5-6:30pm.

We are working with the Teslin Recreation Society and Teslin Minor Hockey Association to deliver a fun filled Halloween Event Weekend! The Haunted House with a tentative family carnival or dance will take place on Friday, October 28 and an Adult Halloween Dance will be held on Saturday, October 29. We have Halloween Planning Meetings on Mondays in the arena lobby @ 7:30pm on Mondays leading up until the event weekend. The Rec Society has offered up a Pizza Party for the department, organization, or group that gets the most involved!!

We are hiring Youth Rec assistant for part time work this fall. JOIN OUR TEAM!!!

Thanks to the teams and everyone that came out to make the Fall Baseball Tournament a success. Congrats to the winning team The Tetra Tech Sliders.

Thanks to ATCO Frontec for sponsoring the home run derby. Congrats to Ryan and Daria, who won and took home new baseball bats.

SOFT PUMPKIN COOKIES WITH CREAM CHEESE ICING

My FAVOURITE cookies ever

Cookie Ingredients:

- 1 cup unsalted butter
- 1 cup sugar
- 1 Tsp baking soda
- 1 Tsp baking powder
- ½ Tsp salt
- 1 Tsp pumpkin pie spice
- 1 Tsp cinnamon
- 1 cup canned pumpkin
- 1 egg
- 1 Tsp vanilla extract
- 2 cups all-purpose flour

Icing Ingredients:

- ½ cup unsalted butter
- 8oz cream cheese
- 3 cups powdered sugar
- 1 Tsp vanilla extract

Instructions

Make the cookies

1. Preheat oven to 350 F degrees. Cover a large cookie sheet with parchment paper and set aside.
2. In a large bowl, beat butter with an electric mixer on medium to high speed for 1 minute. Add sugar, baking powder, baking soda, salt, cinnamon, and pumpkin pie spice and beat until well combined.
3. Add one egg and the vanilla then beat well, until yellow streaks are gone. Add the pumpkin puree and beat again until it's incorporated. Finally, add the flour and beat on medium speed until completely incorporated. Watch the video to see instructions on how to properly measure flour. The dough will be wet, this is what you want!
4. Use a heaping tablespoon or medium sized cookie scoop to drop the cookie dough balls a few inches apart on prepared cookie sheet. Bake for 10 to 12 minutes or until tops are set and no longer look wet. Allow to cool on cookie sheet for a few minutes then transfer to wire rack to cool completely before frosting.

Cream Cheese Frosting

5. Beat together the softened butter and cream cheese in a large bowl until smooth and all of the lumps are gone.
6. Sift in the powdered sugar then add the vanilla. Beat until smooth and creamy, about 2 minutes. Once cookies are cool, frost with cream cheese frosting.

Butterbeer from the world of Harry Potter

Ingredients

- 1 cup cream soda
- 1 cup soda water
- 2 Tbsp butterscotch syrup
- 2 Tbsp whipped cream
- 2 Tbsp caramel syrup
- pinch of salt

1. Combine the cream soda, soda water, and butterscotch syrup in a bowl
2. Mix the whipped cream, caramel syrup, and salt together in a separate bowl.
3. Add the soda mixture to a cup (or a mug for a Wizarding World feel) and top with the whipped cream mixture

For an adult spin on this themed beverage, add a splash of rum

Easy treat for the kiddos: Pumpkin Rice Krispie Treats

Ingredients:

- 6 cups rice krispies cereal
- 3 Tbsp salted butter
- 10 oz mini marshmallows
- orange gel food colouring
- non-stick cooking spray
- pretzels
- green icing or green air heads

Instructions

1. Melt butter in a 4 quart non-stick saucepan or pot over medium-low heat.
2. Add marshmallows and stir and as they begin to melt. Add in the gel food coloring until desired color is achieved. Stir constantly until marshmallows have melted.
3. Remove from heat then immediately pour into bowl containing rice krispies cereal. Gently stir and fold with a spatula until cereal is evenly coated. Let mixture cool slightly (until it's cool enough to handle with your hands).
4. Spray hands with non-stick cooking spray, then shape rice krispie treat mixture into balls about the size of a baseball. Insert 1 piece of pretzel into the top center and reshape the pumpkin as needed. Transfer to a plate or dish sprayed lightly with cooking spray.
5. Either shape air head candy into leaf and vine design to add on pumpkin or create look with green icing.

Haunted House Decorating

Come out and help us decorate a room or get a costume and be a scarer as people walk through.

 Teslin Recreation
5 hrs · 

The Summer Student Wrap Party will be moved to next week.

TeslinRecreation is still providing the community with many activities.

The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go.

Changes to Handling

Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

Pound Fees

1st Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

2nd Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

GET INVOLVED NOW

If you are interested or have questions give me a call

Patty 334-3047 or 390-2101

There's A Job For Everyone

"Teslin Volunteer Fire Department"

Make a difference

Join us - Volunteer!
Your EMS team needs your help

With Yukon EMS you will

- Challenge yourself
- Meet new people
- Serve your community; be a leader
- Learn valuable skills (like lifesaving first aid)
- Earn some money (when on active duty and on call)
- Most of all, you will make a real difference helping sick and injured patients

DO MORE THAN YOU
IMAGINED POSSIBLE!

**Teslin Volunteer Fire Department
TVFD Regular Meeting
is scheduled every
2nd & 4th Tuesday of the month at the
Village Fire bay.**

**Teslin EMS Meeting & Training is
scheduled every 1st & 3rd Tuesday of
the month at the Ambulance Bay**

EMERGENCY PHONE NUMBERS

Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!

(3473)

EMO facts: TTC and VOT have a joint emergency plan.

Emergency plan working group is a group of individuals from different agencies in Teslin working together to keep our community prepared in case of an emergency.

WE WANT TO HEAR FROM YOU!

Thank you very much to all those who contributed to this month's issue, and special thanks to all those who shared their awesome photos.

To receive an electronic copy of the *TeslinPost* and/or if you would like to have something posted in the monthly issue, please email:

teslinrec@teslin.ca or admin.teslin@teslin.ca

Any comments, suggestions, ideas, and photos are always welcome.

Closing Shot

The Girls of Summer

It was 1985 at a ball tournament in Haines Alaska. Do you know these women? I'm pretty sure this photo was hanging in the Full Moon Saloon for a couple of years.

Photographer: Walter Geddes

Closing Throwback Shots

Main Street in the Village, around the mid 1970s

Lena Sidney getting ready for hockey with little Juanita next to her.

Athletics Day 1980's

If anyone has throwback shots they would like added to the post, please email them to admin.teslin@teslin.ca
