## **TESLIN ROADS**

Summer road maintenance has begun, please slow down when our public works department is working on the roads. Speed bumps have been installed this month.

Please be considerate and avoid walking on private property and through residents' yards.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, and Tuesday– Closed to public

Wednesday, Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

There is no after hour access to the facility so please plan accordingly.

The facility is now open on Wednesdays until the end of October.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

The free store has been upgraded; please ensure all items dropped off are clean and in good shape. It is not maintained by VOT staff, so please clean up after yourself. All items left out will be discarded.

Please ensure recycling bins are outside first thing Wednesday morning and easily accessible for pickup.

Electronic waste is now on the designated material list so it is free of charge to dispose of.

We are working on a site plan for future growth of the landfill.

Shelley Hassard, CAO

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition.

Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

## **DOG CONTROL**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

**With the warm weather there is more dogs running around town please ensure your dog is on your own property and not running at large. We are going to start weekend and after hours patrolling for uncontrolled dogs. Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

# August 2019 Recreation Report

August was a jam-packed month. I hope everyone had a safe and happy August. We had back to back camps this month, first with gymnastics camp then with dance camp.

Monkey Business Gymnastics came out and ran a weeklong camp. It is always amazing to see what the kids can learn in just 5 days! Kids aged 3 to 14 learned how to safely execute many amazing gymnastic moves while having tons of fun. It was great to see so many kids enjoying camp again this year.

Leaping Feats and the Heart of Riverdale sent out a dance camp for one week. The kids had a blast learning some moves, making some music, and playing some games. They then got to put on a terrific show, showing their parents and loved ones everything they had learned.

Girls club was every Thursday from 7:00 to 9:30. The girls have enjoyed craft nights, cooking nights, and game nights.

A small group of Seniors had a blast experimenting with glass blowing this month. They each got to make two creations and loved the products. They all now recommend Lumel Studios to everyone as a good time with lots of laughs.

Youth Center was open every Wednesday, Friday, Sunday, and Monday from 7:00-9:30. The youth had fun playing games, watching movies, and baking.

Special Olympics had their Development Games here on Saturday August 24<sup>th</sup>. 40 athletes and their families came to Teslin to show us their athletic chops. It was a wonderful event and thank you to everyone who helped.

Some big changes are coming in September. Youth club will be Thursday to Saturday from 7:00-9:00; after school sports will not begin until later; and girls club is cancelled for the foreseeable future. This will be the last recreation report from me, and the new Recreation Manager will be taking over soon.

Thank you to everyone for the support over the last three years. If you have any questions or concerns, please contact Ashley at [admin.teslin@teslin.ca](mailto:admin.teslin@teslin.ca) or 867-390-2530.

# Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

## What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.

**We can all do our part to help keep the wild in wildlife.**

Teslin Tlingit Council

**Old vehicles pose many threats to you and to the community**

- ✓ Abandoned vehicles are often used to store garbage and other refuse, which may attract pests and become disease breeding grounds.
- ✓ Abandoned vehicles can be targets of arson and vandalism.
- ✓ Fluids like gasoline/diesel fuel, oil, transmission fluid, power steering and brake fluids can leak. Which may harm the environment.
- ✓ Abandoned Vehicles are a fire hazard.

*There may be a possibility of another Free Vehicle Collection coming this Spring!*

*Stay tuned for more Details!*

Please Contact the Village Office at 390-2530 if you have any old or unwanted vehicles you want to have removed from your yard!

“Cleanup of contamination can cost residents many thousands of dollars, but voluntarily removing your vehicle now, costs you nothing. We encourage everyone to participate and let’s make Teslin a Cleaner Community.”
