## **TESLIN ROADS**

We are doing seasonal maintenance. Watch for persons and equipment working.

## **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

This is a great time to remind people you can purchase a landfill punch card for \$20.00 at the Village office.

There is no after hour access to the facility so please plan accordingly.

The recycling center is open for refundables, though customers will have to sort and count their own recycling while the attendant observes.

The blue bin recycling pick up program has resumed, please ensure your bins are at the end of your driveway by 9 am on Wednesdays.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

## **LAGOON AND SEWER SYSTEM**

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

Our water licence is due in 2020 and we have submitted our licence renewal application and are waiting for the water boards response.

Prepared by:  
Shelley Hassard, CAO  
Cole Hunking, Public Works Foreman

## **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition. Please ensure that pathways to the water fill spouts are clear and sanitary for safe water delivery. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

## **DOG CONTROL**

The animal control bylaw had third and final reading by Council in August. If you would like a copy please call the Village office.

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week! If you have stray dogs wandering on your property, please call the Village office.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog please give us a call and we can assist with making arrangements

# August 2020 Recreation Report

August was a highlight month for recreation. Our **Warriors of the Water** canoe program came to fruition with the approval to do our Nisutlin River Trip. A group of 9 of us, ranging in age from 13- 58, hit the river at Portage on Monday, August 10. We had a great week travelling approximately 130 km of the Nisutlin by canoe to arrive at the mouth of the river Thursday evening. We got lucky with a calm Nisutlin Bay, providing us a smooth Friday morning of paddling to arrive back at the Teslin marina just before lunch to a warm welcome of people. It was a great trip and we look forward to doing more of this kind of thing next summer.

We have been having fun with our **Community Art Program** running Wednesdays from 6:30-9:30pm. Each week has been a different art project including canvas paintings, Tlingit drawing, and beading. We will move Community Art Night to Tuesdays in September and continue on with the program. We are looking for local artist to help make this happen!

We have changed the weekend **Youth drop-in** a bit. Friday nights will be in the arena where we have a Nerf Zone set up, basketball nets and plenty of room to scooter around. Saturdays is in the youth center (curling rink viewing area) where youth can play games, watch a movie, and just chill. Both evenings will run from 7-9pm on a first-come-first-in basis, with a limit of 8 youth.

Wednesday afternoons will be a time for our community seniors to gather at the Rec Plex. The **Seniors Social** will take place from 1-3pm on Wednesdays and be a time to Carpet Bowl, play cards, and just enjoy a social afternoon.

# August 2020 Recreation Report

We travelled to Whitehorse for golf a few more times in August, with golfers ranging in age from 11 to 70. We have really been enjoying having these mixed age groups taking part in our programs and look forward to doing more. We see a lot of benefit coming from a focus on 'shared interests' versus 'shared age group' programs. It allows for skill development, unique relationship to be forged and interests to be fostered.

That being said, with school back in session we recognize the importance of after-school programming for our youth. While we aim to serve the need for parents to have coverage for their kids, we wish to remind you that our programs are not meant to simply serve as child care. The goal of our programs is to foster skill development, cultivate interests, and be a safe and positive environment for participants. As such, we are taking first-come-first serve registration for our afterschool programs and want to ensure those who sign up genuinely want to be there... to participate in the program for what it is. We also remind you that we have limited spots available due to COVID restrictions.

Our after-school programs running from 3:30-5pm in September are:

- Mondays - **Youth Baseball** –age 5-8 - at the school
- Tuesdays **Kids in the Kitchen** – age 8+ - at the Rec Plex
- Wednesdays - **Kids Club** –age 6-9 - at the Rec-Plex
- Wednesdays – **Girls Club** –age 9+ - at the Rec-Plex
- Friday – **Archery** – open age – at the Rec Plex

For more info about our programs check out the Teslin Rec facebook page, contact the office at 390-2530 or email [teslinrec@teslin.ca](mailto:teslinrec@teslin.ca)

# Check This List When You Want To Keep Coyotes, Wolves and Foxes Away From Your Back Door

Feeding wild animals might seem like an act of kindness, but it is not. Feeding wildlife is illegal and usually ends in a death sentence for the animal. When foxes, coyotes and wolves become habituated to unnatural food sources they can lose their fear of humans.

A wild animal that has become conditioned this way can be a danger to itself and to the general public.

In some cases, wild animals that frequent residential areas can be live-trapped and relocated. But if the animal has become a nuisance to the extent that it kills domestic animals or threatens people, it must be destroyed.

## What you can do:

- Don't feed or leave food out for foxes, coyotes or wolves.
- Don't attract wildlife with carelessly stored garbage and compost.
- Make sure your garbage and compost put out for pick-up are secure against scavengers.
- Keep meat and dairy products out of backyard compost systems, and ensure your compost is completely enclosed with a secure lid.
- Store pet food indoors or lock it up outdoors.

- Vaccinate your pets.
- Keep your pets indoors or safely tied in a well-lit and fenced yard.
- Prevent any interaction between your pets and wildlife – walk dogs on a leash all the time.
- Do not touch the fecal waste of foxes, coyotes and wolves.
- Set an example for your children. Teach them how to behave around wild animals. If you or your child sees a wild animal that is threatening, be big, be loud and never run.
- Talk to your neighbours, educate them on the risks to the community and to wildlife associated with feeding foxes, coyotes, wolves and any wild animals.

If you see a fox, coyote or wolf acting aggressively, call 1-800-661-0525

If you suspect someone is feeding wildlife, call 1-800-661-0525.
