Administration Report

August 2022

Prepared by:
Shelley Hassard, CAO
Cole Hunking, Public Works Foreman

TESLIN ROADS

All roads are in summer driving condition. Speed bumps will be removed in late August

SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Monday, Tuesday Closed to public

Wednesday–Thursday and Friday – Noon to 6:00pm

Saturday – 10:00 am – 5:00 pm

Make sure you stop and see the attendant before dumping.

There is no after hour access to the facility so please plan accordingly.

There will be construction at the landfill this fall to prepare the ground for scale installation, so expect some delays at the landfill.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

LAGOON AND SEWER SYSTEM

The discharge at the lagoon is complete.

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khriel Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

WATER QUALITY/WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery. Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces and obstacles.

With the increasing demand for water delivery schedules may changed from time to time.

DOG CONTROL

The animal control bylaw is available on our website www.teslin.ca

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property let us know and we can provide it to you.

If your female dog is in heat please keep them secure in your yard or home to help avoid dogs packing in groups.

Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.

The community dog spay program is still available. Please call the Village office for more information and to make arrangements to use this program.

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

RECREATION

Stop by and chat with the recreation team.

PROJECTS

The new firehall is substantially complete and the building will be put into service in September.

Design and Engineering continues the Energy upgrade projects for the Municipal Center and will be going out to tender in mid-September. The lighting upgrades to the municipal center and Rec plex is complete & plumbing upgrades will be complete early September.

A RFQ has been released for a cold storage building at the new public works yard.

FLOOD 2022

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing throughout the fall.

OTHER

The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.

Village Council meetings have returned to the Council Chambers and the public is welcome to attend in person or via zoom.

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time and set them off at reasonable hours.

Check the electronic sign or our website www.teslin.ca regularly for updated notices and messages.

August Rec Report

Prepared by: Lindsay Johnston, Rec Manager

We hit the **Nisutlin River** as part of the **Warriors of the Water** Canoe program July 31-August 5.

The upper section of the river posed some challenges with a growing number of sweepers and river hazards caused by the high water and bank erosion this year, but otherwise it was pretty smooth sailing on the water. We got off the river at one point on day 3 because of thunder and lightning and got poured on for about 10 minutes before the clouds cleared to blue skies again...with the excitement of seeing a big plume of smoke emerge (just behind us on the opposite side of the river) presumably from a nearby lightning strike!!! Otherwise, it was a lot of putting rain jackets on in preparation of what seemed like grey skies rolling in only to take them back off pretty quick. We must have kicked up an underground hornet next on our last night on the river (just up from the mouth of the river), because we were attacked!! All-in-all, we were treated to some pretty great weather, sandy camp spots, and mild bug invasions throughout the week.

The wind picked up on our last day as we tackled the return to Teslin across Nisutlin Bay. We all enjoyed and giggled our way through the first hour of the waves splashing, and then it became a bit of a slog, but we made it!!!

The youth did great and it is so awesome to see them growing in strength and character with every day out on the land!

Can't wait to keep expanding on this program and appreciate the support from the Teslin Renewable Resource Council to do so. We now have 6 canoes and continue to build a great inventory of river gear to safely and comfortably embark on more adventures!!

August Rec Report

The Yukon First Nation Education Directorate (YFNED) was out in Teslin for a **Street Art Workshop** Aug 8-11. The youth were given creative control (with guidance and instruction) to paint the VOT recycling trailer with a mix of spray paint, brushes and rollers. They loved it and we hope to continue with more public art projects with the help of YFNED and other local artists. We will host **Art Afternoons** Thursdays from 3:30-5pm in September. We will also look to resume our **Community Art Program** in the coming months. Please contact us with program ideas and to be a guest facilitator!!

We had an amazing summer with such a great young group of youth working with us. They showed a great deal of leadership and were excellent role models amongst their peers and for the younger kids. Thank you to Jay Aubichon, Emma Blake, Channing Smarch, and Xavier Oakley for your efforts and the fun times. Thanks also to Jed and Hailey for your continued hard work and being the backbone of the team. The youth planned a **Summer Student Wrap Up Party** complete with games, pizza making and a pie-in-the-face event. They went around asking all the other kids who participated in programs throughout the summer which rec staff they wanted to 'pie'. The results were tabulated and Channing and Hailey are set to get pied at the event on Friday, Sept 2.

August Rec Report continued..

The **Rec Society AGM** took place on July 26 and we would like to welcome new and returning members of the board. Patty Wiseman resumed her position as President, Tara Easley took the role as Vice President/Secretary, and Shelley Hassard will serve as Treasurer for the society. New members to the board include Camille Robitaille, Carolyn Allen, and Kim Smarch and Lindsay Johnston (as the rec manager). The Teslin Recreation Society is a non-profit organization whose mandate is to plan, activate, facilitate, support and promote broad-based involvement in cultural, educational, athletic and recreational activities that contribute to the enrichment of the individual and the community. The Society works collaboratively with local governments and organizations in the delivery of its mandate.

We welcome all to attend our meetings and take part in making this a more active and engaged group.

We will kick back up with some of our regular after school programs on a drop-in basis through September. **Bike Club** will take place on Tuesdays, **Sports** on Wednesdays, **Art Afternoon** Thursdays, and **Young Explorers** Fridays 3:30-5pm. Evenings will remain **Community Baseball** on Tuesdays, **Pickleball** on Wednesdays and **Basketball** Fridays, with the reintroduction of **Youth Club** Thursdays from 7-9pm.

Group Fitness will resume Mondays and Wednesdays starting Sept 19 and we will begin planning for our fall registration-based programs to launch in October.

Apple Crisp

Prep time: 35 mins

Ingredients:

Fruit portion:

- 6 cups cooking apples (peeled, cored, and sliced ½ inch thick)
- 3 Tbsp corn starch
- 1 ½ Tsp ground cinnamon
- ½ cup golden syrup

Crisp Topping:

- 1 cup dry oats
- ¾ cup brown sugar
- ½ cup all-purpose flour
- ½ cup butter

Directions

1. Preheat oven to 350°F.
2. Stir apples, corn starch, cinnamon and corn syrup together in a large bowl, until apples are well coated. Transfer to a greased 8 x 8-inch baking dish.
3. Combine oats, brown sugar and flour in a large bowl. Cut in butter with a pastry blender or two forks until mixture is crumbly. Sprinkle over apples.
4. Bake for 45 to 60 minutes, or until apples are tender.

Yummy fall Beef Stew Recipe

Ingredients

- 1 tbsp. vegetable oil
- 2 lb. beef chuck stew meat, cubed into 1" pieces
- 1 tbsp. extra-virgin olive oil
- 1 medium yellow onion, chopped
- 2 carrots, peeled and cut into rounds
- 2 stalks celery, chopped
- Kosher salt
- Freshly ground black pepper
- 3 cloves garlic, minced
- 1/4 c. tomato paste
- 6 c. low-sodium beef broth
- 1 c. red wine
- 1 tbsp. Worcestershire sauce
- 1 tsp. dried or fresh thyme leaves
- 2 bay leaves
- 1 lb. baby potatoes, halved
- 1 c. frozen peas
- 1/4 c. freshly chopped parsley, for garnish

DIRECTIONS

1. In a large Dutch oven or heavy-bottomed pot over medium heat, heat oil. Add beef and cook until seared on all sides, 10 minutes, working in batches if necessary. Transfer beef to a plate.
2. In the same pot, cook onion, carrots, and celery until soft, 5 minutes. Season with salt and pepper. Add garlic and tomato paste and cook until garlic is fragrant and tomato paste has darkened, 2 minutes.
3. Add beef back to Dutch oven then add broth, wine, Worcestershire sauce, thyme, and bay leaves.
4. Bring to a boil then reduce heat to a simmer. Season with salt and pepper. Cover and let simmer until beef is tender, 30 to 45 minutes.
5. Add potatoes and simmer, covered, until potatoes are tender, 15 minutes.
6. Remove bay leaves. Stir in peas and cook until warmed through, 2 minutes. Season stew to taste with salt and pepper, then ladle into serving bowls and garnish with parsley.

Changes to Handling Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

Pound Fees

1st Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

2nd Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.

Teslin EMS

WE NEED YOU

Are you interested in giving back to your community?

Teslin EMS is looking for volunteers that are interested in having a big impact on the Community of Teslin and surrounding area.

We provide all Uniform & Safety items

Training is provide and paid for.

You would have the opportunity to work with a great group of people.

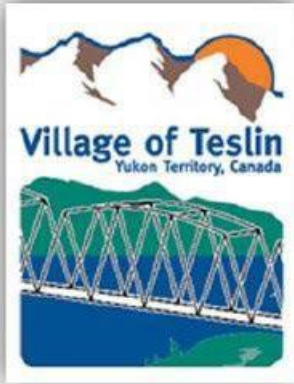

Right now our crew is very small and we cannot met the community needs, we have many days each month that we have NO coverage in Teslin

Don't wait until it is your family member that needs our service and has to wait a minimum of 2.5 hours for an ambulance to come out from Whitehorse.

Teslin Training Fund

Are you interested in taking training that will lead to employment and need funding?

The Teslin Training Fund is available to all Teslin area residents to support training that prepares community members for potential employment. The TTF provides funding for individuals or groups. More information is available at the VOT Municipal Office or Yukon College.

Applications are reviewed by a locally based committee and funding decisions are based on eligibility, merit and ability to meet fund criteria.

This is an ongoing intake—Applications are accepted at any time

Application forms are available at the VOT Municipal Offices or Yukon College

Please submit your application to Shelley Hassard or Matthias Liniger at the VOT Municipal Offices.
