# Message from the Mayor

## September 2023

Here is an update on matters the Village of Teslin Council has discussed over the past few months. I usually like to be upbeat in these newsletters, but this month focuses on some serious matters.

During a previous newsletter, I mentioned that VOT would create a permanent berm along Jackson Avenue this summer to protect the properties along the road and a lift station. The lift station is critical since if it becomes overwhelmed and stops pumping, the community may have to be evacuated. A permanent berm reduces work in an average flood event year and, in the event of a significant flood season like last summer, allows us to build higher temporary barriers. We were very fortunate that we did not have a lot of wave action during last summer's flood since our temporary measures were at their max. Unfortunately, due to some administrative delays with other governments, we could not get the permits in place for this year. We will do this work next year.

Looking at this summer's wildfire season in the Yukon and Northwest Territories, another concern for community members is the threat of wildfires. We discussed this topic at a recent joint council meeting with Teslin Tlingit Council. We discussed needing a mock or tabletop emergency measures exercise to practice our Joint Emergency Measures Plan and hone our skills. We conducted a tabletop exercise several years ago, and it was invaluable during the pandemic and the flood last year.

We also discussed how to action the other emergency plans we have in place. In August 2022, TTC and VOT signed the Teslin Community Wildfire Protection Plan (CWWP) with the Yukon Government. This plan outlines the actions required to address the threat of wildland fire to the community of Teslin. It includes a range of measures, including extensive fuels reduction and fire prevention and mitigation activities to be taken around Teslin. As you know, both TTC and VOT manage FireSmart projects annually, and sometime over the winter or early spring, we hope to host a workshop to explain how homeowners can reduce the threat of fire around their homes. TTC is also working on stand conversion in North Teslin off the Sawmill Road, and the old fire break around the town needs some work plus more thinning required between the fire break and the community.

We have a great awareness of our situation, but the Village of Teslin and Teslin Tlingit Council and the community have much work to do in the coming months and years.

The number of dogs running loose in the community is rising. We are getting reports of dogs wandering into other people's yards and harassing and intimidating other dogs, if not attacking them. People have the right for their dogs to safely be in their yards without the threat of a strange dog wandering onto their property. People also have the right to walk around the community without feeling fear of dogs. We are concerned about the safety of our community members, especially children. Your Snoopy may be someone else's Cujo.

According to our bylaw, there should be no dogs loose-at-large in the community. Our *Animal Control Bylaw* states that animals are not allowed to "run at-large" off their owner's property. Your dog can be loose, but it must stay on your property. We leave it up to owners to decide how to keep their dogs on their property, whether by a fence, leash, or electronic collar. Please be responsible for your dog. We are increasing our efforts to monitor and capture loose dogs in the community. If you see a dog wandering loose, please call the Village of Teslin office at (867) 390-2530.

As with every newsletter, I greatly thank our staff, who work tirelessly to deliver services daily. Without their dedication, our community would not have the level of services it enjoys.

## August 2023

### **TESLIN ROADS**

We have been patching potholes over the past 2 months and we finished this project for the year. Speed bumps have been removed for the season and the holes in the road have been patched where they were installed.

If there are any concerns with the road conditions, please call the office.

### **SOLID WASTE FACILITY/RECYCLING**

The solid waste facility hours are as follows:

Sunday, Monday, and Tuesday are Closed to the public.

Wednesday, Thursday, and Friday – Noon to 5:30 pm

Saturday – 09:30 am to 4:30 pm

**Make sure you stop and see the attendant before dumping.**

There is no after-hours access to the facility so please plan accordingly.

Recycling bins need to be at the end of your driveway by 9 a.m. Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to the Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

### **LAGOON AND SEWER SYSTEM**

All sewer lines are in good working order. Please be aware and careful of what is being flushed down the sewer system.

TKO Services (Khiel Davies) is providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

The Village of Teslin will be providing a temporary pump-out service for the community and surrounding area as needed. Please phone TKO first for all pump-out requests as VOT is only providing these services as a last resort.

## August 2023

### **WATER QUALITY/ WATER DELIVERY**

The Water Treatment Plant (WTP) is in good working condition.

**Please notify us if you will be away and do not require water delivery.**

Kindly ensure that spouts and tank whistles are in good working order and that lids are closed to help avoid water overflow.

Please ensure your driveways are clear and **accessible for the water truck** and that the path to your fill spout is clean of dog feces, and obstacles.

The Village of Teslin is expecting delivery of our new water truck in mid-November.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems comply.

With the increasing demand for water delivery, schedules may be changed from time to time.

If you have any questions regarding the new bylaw, please reach out to our office.

### **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very seriously and are actively pursuing loose dogs. Our public works staff patrol for stray dogs 7 days a week and we continue patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property, let us know and we can provide them to you.

If your female dog is in heat, please keep them secure in your yard or home to help avoid dogs packing in groups.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

### PROJECTS

The Village of Teslin's Municipal Administration building is on schedule and is due for completion this fall.

The landfill scale project is currently out for tender, and we are expecting the project to be completed late fall.

The Teslin Alaska highway Right of Way Vegetation project was tendered earlier in the summer and is now complete.

### STAFFING

We are currently advertising for an Auxiliary Administration Assistant. Closing dates may vary so please contact the office with any questions.

Please submit your resume to:

Chad Thomas, CAO  
Village of Teslin  
Box 130 Teslin, Yukon Y0A1B0  
Phone: (867)390-2530 – Fax: (867)3902104 Email: CAO@teslin.ca

### PERMANENT FLOOD MITIGATION

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing.

If you think that there is an important project that the Village of Teslin should consider that will help the community, we want to hear your suggestion.

### OTHER

We are planning for future projects, and we will be doing community consultation please respond as we appreciate community feedback, and your input is considered during decision-making.

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

## August Rec Report

Not too much to report for August except for just how amazing the **Teslin Sports Camp** was!!! Recap taking from the Teslin Facebook Page posts....[go](#) check it out for the pictures that accompanied each days post and the video montage of the whole camp =)

It's on!!! The Teslin Sports Camp has started off with Flag Football thanks to coaching from the [@chilliwackgiants](#) and support from [@nfcanada](#) kids are coming together from all corners of the Yukon and having a blast [#teslinsportscamp](#) [#flyairnorth](#) [#canadianparksandrecreationassociation](#)

[Wayyyy](#) better action shots brought to you by something better than my iPhone 5 thanks to coach Colin [@chilliwackgiants](#) [@nfcanada](#) [annnd](#) a super strong showing by the Old Crow crew in [allll](#) the bonus rec plex sports .... Check out Junior 'Triple Threat' [Kyikavichik](#) skateboarding a football to a net grab slam dunk (obviously not captured by the better camera) [#teslinsportscamp](#) [#trapper](#)

[Today's](#) recap brought to you by a bunch of hard working athletes, a tremendous leadership and coaching group... [annnd](#) a group of posed out kids who had to humor coach [lindsay](#) (far left) being late for the photo shoot and demanding to be in one 😊

That's a wrap sport 1 of 3 at the Teslin Sports Camp!! Thanks for a great program and super strong leadership from the [@chilliwackgiants](#) we had a blast with flag football!!! Thanks for helping make this happen and making these kids few special with all their new swag [@nfcanada](#) ... bring on soccer!

We have soccer, sunning, swims and sunsets at Teslin [Sports Camp day 4](#)

Coach Lindsay was definitely in need of the day 5 stretch [sessh!!](#) Great job by [@hopeandhealth4!](#) manipulating the program to be inside on a rainy day in Teslin

Day 6 "stiff as sticks" but still kicking it, building friendships and making memories at the [#teslinsportscamp](#) ...thanks [@hopeandhealth4!](#) for a great 3 days of soccer and throwing in a little guy session!! Bring on lacrosse

Day 7 [wheres Kevin?...](#) Day 7 double Kevin. Welcome to coaches [megan](#) and Kevin from [@fusionwestlacrosse](#) to wrap up the last 3 days of the Teslin Sports Camp!!! [Man](#) these kids are troopers 🤖 not sure if you know just how hard they have been pushing themselves physically and mentally. This has been [soooo](#) new to many of them!! Physical demands... having to eat healthy (😊) ... new friends and social dynamics... for many it has been the longest time being away from home (amidst the recent whole town evacuation

of their home community too 😊) — and they are crushing it!!!! Sooo so so super proud!!! We are tuckered though and have some dwindling numbers... so could definitely use some pump up to get through the last couple days haha. If you are reading this, give them a shout out... if you are driving by, give them some honks... or better yet, STOP IN AND HOP IN for a bit. The kids would love to show you some things (or take the sub-out breather haha) 🙌👏👏👏👏👏

Day 8 feeling great... day 8 don't be late... day 8 PARTICIPATE!!! So much Thank you so much to Lorraine and Toren from YFNED for all the support this week!!!! And thanks to RPAY and the youth directorate for bringing some fresh energy to our Friday (check out Anne taking in some kids in the corner hahaha) WE ARE DOING IT

Day 9.... FINISH LINE!!!! We did it 🙌👏👏 that's a wrap on the 1st TESLIN SPORTS CAMP!! Warm fuzzies, buzzing muscles, and big time laugh lines. Probably going to have to do it again.

What a great time at the 1st Teslin Sports Camp. Thank you to everyone who made it possible. Specific thanks to the funding from the Canadian Parks and Recreation Association... support from Air North, Driving Force, Northland Beverages, Arctic Star Printing, the Village of Teslin, Teslin Tlingit Council, the Yukon Motel and Nisutlin Trading Post. Thank you to the coaches from the Chilliwack Giants, Hope and Health, and Fusion West Lacrosse. Thank you to our guest facilitators from BYTE, YFNED, the Youth Directorate and RPAY. Thank you to the volunteers and cooks who fed us so good, and to the parents for getting the kids out. Thank you to the Athletes from Teslin, Watson Lake, Marsh Lake, Whitehorse and OLD CROW for coming out, pushing yourselves, and bringing the smiles and laughter for 9 days!! Hope to see you all next year 🙌👏👏👏👏👏❤️❤️❤️❤️❤️

We would like to thank Margot for her work with us this summer and as well as Caleb who is wrapping up his term with recreation.

Jed is tackling his second year of post-secondary schooling through correspondence, so you will still see him around Teslin and working a couple days/week with rec.

We currently have the full-time (with great benefits) **Recreation Assistant/ Facilities Attendant** position and part-time **Fall/Winter Junior Youth** position posted and looking forward to having some awesome fresh energy join the Village of Teslin and our kick ass rec team.

September will be a little quiet until we get these positions filled, but some things we have on the go, (because of some amazing volunteer help) will be **Flag Football** on Mondays @5:30pm, **Archery** on Tuesdays @ 7p, **Pickleball** on Wednesdays @ 6pm, and **Basketball** on Fridays @7pm.

**Baseball** will run after school on Tuesdays and **The Teslin Super Fun Slo Pitch Tournament** will take place Sept 22-24. We didn't plan to have such a late tourney last year...but, since it was such a great time playing under the GRAHAM lights and hanging by the bonfire...we ARE planning for a late one again this year and we are ready to receive registrations!!

We are also working on plans for a **Friday Night FUNdraiser** and Beer Garden with live music in support of the Teslin Rec Society.

More work has been done to the **Disc Golf Course** and is now playable. You can view the map and even keep track of your score on the UDisc App. With the addition of some community members to help alongside the **Rugged Apprentice Program** We will be welcoming 8 volunteers from all over Canada (thanks to a tourism Yukon initiative) who will be here to help us finish construction of the Teslin Disc Golf Course Sept 12-14.

We are looking for community members who might like to help host the group with some evening activities that highlight Teslin, and also volunteers who would like to pick up a shovel or rake and lend a hand to complete the course. The more involvement the better the course and experience for our guests.

**Art with Ayla** will happen after school on Sept 11 & 25 and we will be launching a new program for our 'big guys' aged 4-6. The **BIG 4-6 Sports** program will run Wednesdays from 4-5pm and focus on having fun learning and developing skills in a variety of sports through the fall. We will be requiring sign up for these two programs and all others will run on a drop-in basis for September.

HAPPY HUNTING!!

**FALL PRE-SCHOOL  
ACTIVITIES:  
AUTUMN TREE PAINTING  
WITH COTTON BALLS**

## SUPPLIES

- Printable branch template (optional)
- Canvas paper pad or white cardstock if you are using the template
- Acrylic Paint in fall colors
- Pain Brushes
- Paint Palette and water container, recycled containers work great
- Cotton balls
- Clothespins

## INSTRUCTIONS TO MAKE YOUR FALL TREE PAINTING

1. Because this autumn tree painting is more of a branch than a whole tree, you want to cut your paper in half for a horizontal painting, which I think looks pretty cool!

The canvas pad was 12 x 16 inches so our finished size was 12 x 8 inches when cut in half. You could also use whatever canvas you have at home. Or if you are using the template, you will use white cardstock.

2. Mix up your paints.

3. Paint the entire canvas with blue for the sky.

4. Draw in a branch with a pencil. Depending on the age of the child, they may need some help to do this. Using my free printable branch template makes this easier, especially for younger kids, while older kids might prefer to draw their own. Paint the branch black and let it dry before moving on.

5. Make your cotton ball paintbrushes and start painting. We started with red first, then orange, and painted the yellow last. I didn't worry too much about the colors drying in between and they didn't seem to mix or smudge together.

# Easy Apple Bundt Cake Recipe

## Ingredients

- 6 cups diced apple (about 5 medium apples)
- 1 1/2 cups sugar
- 1 tablespoon cinnamon
- 1/2 teaspoon nutmeg, freshly ground
- 1 cup cinnamon applesauce
- 1 1/2 sticks (3/4 cup) butter, melted and cooled, plus a little to butter the pans
- 2 teaspoons vanilla
- 3 eggs
- 1 1/2 cups white whole wheat flour
- 1 1/2 cups all-purpose flour, plus a little to sprinkle in the pans
- 2 teaspoons baking powder
- 1 teaspoon baking soda
- 1 teaspoon salt
- Powdered sugar or caramel sauce (optional)

## Instructions

1. Preheat the oven to 350°F. Butter and flour two medium Bundt pans (about 8" across with 6- cup capacity).
2. Combine the apples, sugar, cinnamon, and nutmeg in a large bowl. Add the applesauce, butter, vanilla, and eggs and mix well. Add the flour, baking powder, baking soda, and salt and stir just until mixed.
3. Pour the batter into the Bundt pans and bake for 40–45 minutes or until a toothpick inserted in the center of the cakes comes out clean. Cool the Bundt cakes for 10 minutes, then invert them on a wire rack. Dust the cakes with powdered sugar or drizzle them with caramel sauce, if desired. This cake is excellent served warm with a scoop of vanilla ice cream.

## Employment Opportunity

# Recreation Assistant/ Facility Attendant

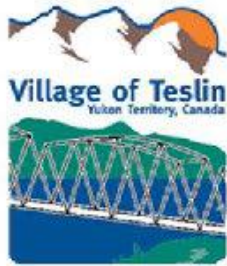

This is a great position that works collaboratively with the recreation manager to enhance the recreational experience for all residents; and with other VOT staff to ensure recreation facilities are maintained to an optimum level. The Recreation Assistant/ Facility Attendant is a super important part of a super awesome team!

Key responsibilities of the position are to deliver active and engaged programs for community members of all ages; monitor and oversee all indoor and outdoor recreation assets; perform custodial duties and ongoing facility maintenance; prepare facilities for scheduled events activities, and bookings; winter ice maintenance and year-round trail maintenance; and ensure procedures are followed to provide optimum efficiency and use of Village of Teslin Recreational Infrastructure. The successful candidate will be expected to work irregular hours, which may include evenings, weekends and holidays. He or she will be highly organized, energetic and motivated.

## Have fun being part of the best team in town

The candidate must have, or be prepared to obtain, a number of the following licenses, certificates, or training: class 5 drivers license, first aid, food safe, and knowledge of current occupational health and safety regulations. Mandatory Vulnerable Sector RCMP check is required. Experience and interest in working with children and youth is required.  Teslin Recreation  
23h · 

We are still looking for our 2 kicksleds (small pink and large??) that we're loaned out at the end of last year. PLEASE return them. They are a big part of our upcoming programming. Thank you!!

Teslin Recreation continues to provide the community with many activities. The Teslin Recreation Facebook page will be a primary source of communication about what we have on the go.

# EMERGENCY PHONE NUMBERS

## Call 9-1-1 in an emergency

If you or someone else is hurt or in danger, phone 9-1-1 to get help from RCMP, the fire department or emergency medical services (EMS).

Call 9-1-1 when there is:

- a life-threatening emergency or medical situation
- a crime in progress
- a fire
- a serious accident
- an exposure to, inhalation or swallowing of a poisonous substance

Do not call to test 911. It is working!
