# Public Works Report

## October 2022

Prepared by Public Works Foreman

### TESLIN ROADS

Winter is coming! Please be cautious driving and walking as conditions can be slippery.

### SOLID WASTE FACILITY/RECYCLING

The solid waste facility hours are as follows:

Sunday, Monday, and Tuesday Closed to public

Wednesday, Thursday, and Friday – Noon to 6:00pm

Saturday – 10:00 am to 5:00 pm

**Make sure you stop and see the attendant before dumping.**

There is no after hour access to the facility so please plan accordingly.

There will be construction at the landfill this fall to prepare the ground for scale installation, so expect some delays at the landfill.

Recycling bins need to be at the end of your driveway by 9am Wednesday mornings for pickup. Please ensure there is no garbage in your recycling bins.

An average of one refuse bin a week is being sent to Whitehorse landfill for disposal. Everyone is encouraged to do recycling at home, and at work, to reduce the amount of material that goes to the landfill.

### LAGOON AND SEWER SYSTEM

All systems are in good working order. Please be aware and careful of what is being flushed down the system.

TKO Services (Khil Davies) is now providing pump-out services in Teslin please call 334-5636 to schedule your pump-out.

### WATER QUALITY/WATER DELIVERY

The Water Treatment Plant (WTP) is in good working condition. Please notify us if you will be away and not requiring water delivery.

**One water truck needs repairs, so we are operating with only one truck, please be patient as delivery times may be irregular.**

Kindly ensure that spouts & tank whistles are in good working order and lids are closed to help avoid water overflow.

Please ensure your driveways are clear and **accessible for the water truck** and the path to your fill spout is clear of snow, dog feces and obstacles.

When constructing new buildings or renovating buildings please contact the Village office to get a copy of the water bylaw to ensure your water systems complies.

Please note that severe winter weather conditions may affect our water delivery service.

With the increasing demand for water delivery, schedules may be changed from time to time.

Over the next few months Council will be reviewing the Water Bylaw and associated fees.

## **DOG CONTROL**

**The animal control bylaw is available on our website [www.teslin.ca](http://www.teslin.ca)**

Please ensure your pets are secure on your property. We take dog control very serious and are actively pursuing loose dogs, our public works staff do patrol for stray dogs 7 days a week and we are now patrolling in the evenings. If you have stray dogs wandering on your property, please call the Village office.

If you need materials to secure your dog on your property, let us know and we can provide it to you.

If your female dog is in heat, please keep them secure in your yard or home to help avoid dogs packing in groups.

**Once a dog is picked up by our staff, we notify the owner and if they are not picked up by the owner after three business days, they are sent to the animal shelter in Whitehorse.**

The Village of Teslin has partnered with Yukon Government & Humane Society on a dog surrender program, so if you need to surrender a dog, please give us a call and we can assist with making arrangements.

## **PROJECTS**

The Fire department has moved into the new fire hall.

The tender for the energy upgrades to the municipal center is advertised and closes early November. The lighting & plumbing upgrades to the municipal center and Rec plex are now complete.

The equipment for the new playground in the Sawmill Road subdivision has arrived and installation will be completed in early November.

## **FLOOD 2022**

TTC and the Village of Teslin are seeking funding to complete permanent flood measures and are in the planning stages. Community consultation on permanent measures will be ongoing throughout the fall/winter. Please fill out and hand in the surveys sent out to help the Village get an idea of what the Community would like.

## **OTHER**

**The Village of Teslin has received COVID-19 Rapid tests to distribute to residents, if you need a test, please call the office.**

Please be considerate when shooting off fireworks, notify your neighbors or the Village office ahead of time. And set them off at reasonable hours.

Check the electronic sign or our website [www.teslin.ca](http://www.teslin.ca) regularly for updated notices and messages.

**WE WILL MISS YOU SHELLEY!!**

The Village of Teslin office will be looking different after October. After 10 years of dedication, first as treasurer then as CAO, Shelley is leaving to take another job. We wish her all the best and will miss her guidance and leadership. The Association of Yukon Communities is very lucky to have her.

Shelley has always worked very diligently at keeping us on track, and sometimes it was like herding a group of cats.

Always professional and did an amazing job. She will be missed. All the best in her new position. – Juanita Kremer

It's been great working with you these past 10 years, from 'helping' me write my reports, making me follow Bylaws, and guiding me to only spend what was budgeted. I wish you all the best in your future endeavour's. – Cole

It was good working with you - Kevin

It's been great working with you. Thank you for guiding me. Good luck in your new career, I wish you all the best. - RoseAnn

Good luck in your new endeavours. Sad to see you go. You were a pretty darn good leader. - Rick

Shelley, Thank you for dedication and contribution over the years to the Village of Teslin. You inspire others and this includes me, to making a difference in our community. All the best as you move on to another adventure!

Jeff Myke.

# October Rec Report

Prepared by Recreation Manager

We had a great turnout at the **Seniors Lunch** held by the Teslin Recreation Society at the Seniors Complex on Thursday, October 14. Lunch was served and a roundtable discussion was had about the programs and ideas the seniors would like to see in the community. Stay tuned for the date of a **Monthly Seniors Lunch and Social** on the November Rec calendar and other more regular activities for our over 55 community members.

The Yukon Aboriginal Sport Circle (YASC) was in Teslin on October 16 to lead a **NAIG Selection Shoot** on our 3D Archery Course. Sam Johnston came out to give the few youth participants some pointers before they hit the trail. All 3 will join a training squad that will practice through the winter and hopefully get selected to be part of Team Yukon heading to Halifax for the North American Indigenous Games July 2023. These games are an amazing experience for youth ...so PLEASE help us in encouraging them to keep working towards the incredible opportunity to go to the games. Some other sports that could be of interest to our youth include Paddling and Track events. Please talk with Lindsay if there is a youth in your life who could benefit with knowing more and having some support and coaching!!

The community art program was back with a special **Epoxy Art Session with Ayla** on Tuesday, October 11. While numbers were a little low, participants had a great time and have asked to have more sessions using this art medium. We will try and run special art night monthly as facilitators come forward. Ask us about the **Giant Dream Catcher** project that will be created outside of the seniors complex.

We held our **Minor Hockey Kickoff Party** on Monday October 17 with a delicious spaghetti dinner prepared by our Unsung Hero Jari Smarch thanks to support from Jordans Principal and Teslin Minor Hockey Association. We discussed the upcoming season and handed out the awards from last season. Congratulations to our winners:

Most Valuable Player - Abdullah Hamidi  
Most Improved Player - Tate Hunking  
Team Hustler - Emma Blake  
Most Devoted Player - Caleb Sharp  
Best Defenceman - Dylan Smarch  
Most Sportsmanlike Player - Olivia Boutilier  
Coach of the Year - Noland Blake  
Unstrung Hero- Jari Smarch

We have had a few new volunteers step up to be on-ice volunteers and we are anticipating a great season. **Minor Hockey** will run Mondays and Wednesdays this year with some new groups and times to be determined after the first couple skates. The rink will be open from 5-6:30pm for **Public Skating Fridays**.

The **Adult Hockey** season will run Tuesdays and Thursdays with puck dropping at 7pm. Forms and fees must be in before stepping on the ice. We are hosting a **4-on-4 Fun Hockey Tournament** on the

Here it is, and Thanks to volunteers badminton will continue and a new Parent & Tot program will be added to the November Rec Schedule.

Make sure you come out to the rink and check out the action as we host our 4-on-4 Hockey Tournament Nov 11-13. The tournament will kick off with a small Remembrance Day acknowledgement and Ceremonial Puck Drop.

Stay tuned for the date of our new monthly +55 Lunch and Social Afternoon.

oh boy..... Volunteerism, active participation, and social engagement is on the rise in Teslin and it's a thing of beauty!! Let's make sure we are helping each other keep the ball rolling as the days get shorter. So if you're headed to an activity grab a friend too 😊

**Teslin Recreation is still providing the community with many activities. The Teslin Recreation Facebook Page will be a primary source of communication about what we have on the go.**

## Changes to Handling

# Dogs Caught at Large in Teslin

Dogs running at large have been a constant dilemma for the community of Teslin. Increasing concern surrounding the potential of dogs packing up and posing potential risks to the public and other pets is growing. Yukon has been a victim of several dogs' at large accidents and incidents that may have been avoided if more care were taken to control dogs at large. Please be aware of the dangers that your dog can pose to others if it is allowed to roam at large in the community.

There are two programs sponsored by Yukon Government, Teslin Tlingit Council, and VOT to assist dog owners with the vet bill to have your dog spayed or neutered.

Dogs running at large (off their property and not with the owner) will be picked up by the Village of Teslin.

All dogs must be licensed with the Village of Teslin.

## Pound Fees

### 1<sup>st</sup> Offense:

- Licensed Dog - \$75.00
- Unlicensed Dog - \$75.00 plus the purchase of a license \$80.00
- Chain will be provided to owner for containment.

### 2<sup>nd</sup> Offense:

- Dog will be taken to the animal shelter in Whitehorse to be re-homed.
