Annual Performance Plan (A.P.P.) Community Priorities

Community approved priorities are:

- (1) Youth – Alcohol/Drugs – Engagement*
- (2) Aboriginal Communities – Community Involvement*
- (3) Road Safety (Traffic) – Speeding/Pro-active Patrols*

(1) This month the detachment addressed the issue of Youth – Reduce victimization and prevent crime involving youth by:

Our members recognize the value of positive youth-police involvement/engagement and how it strengthens our relationships with Teslin youth.

- Cst. HAMIDI continues to assist in coaching minor hockey twice a week.
- Cst Hamidi is starting up youth basketball again every Friday night at the School for the High School kids
- Cst Joudry has helped start up ball hockey at the school on Monday evenings
- All members are helping out with the breakfast program at the school Mon-Fri.
- Cst. HAMIDI and his wife conduct/operate weekly Parent and Tot events at the community center. Cst JOUDRY and his wife attend as well.

- Cst. HAMIDI continues to attend the school to read to the grade 1-3 class.

(2) This month the detachment addressed the issue of Indigenous Communities – Community Involvement by:

Our members recognize the value of the mutual and respectful relationship we share with our First Nations and Community partner's in Teslin. We continue to be actively involved within the recreation programs offered in the community; we are able to interact with Indigenous youth through these programs. Our attendance at the school to help with the breakfast program also provides us with the opportunity to interact with the children/youth.

- Teslin members continuously engaged with local leadership and community partners, discussions are ongoing on a regular basis (Health Staff, C/O, Probation Officer, FCS, TTC and VOT).
- Cst. HAMIDI and Cst JOUDRY participate in Adult hockey. Cst. Hamidi played in the Native Hockey tournament this past month with the Teslin BULLS.
- Cst HAMIDI and Cst JOUDRY took part in the Teslin LakeSpel
- Cst HAMIDI and family went and assisted with the pancake breakfast for fundraising for Teslin Minor hockey

(3) This month the detachment addressed the issue of Contribute to community safety (Traffic) by:

Teslin members continue to be actively involved in maintaining the safety of our roadways in and around the community of Teslin by doing regular patrols and enforcing traffic laws and regulations.

- Members make constant patrols throughout every shift, focusing on areas where we get the most complainants.

Should you come across a suspected impaired driver, maintain a safe distance and call 911. Provide the operator with as much detail as possible, such as the vehicle description, direction of travel, driver description if able, and plate number.

Report Crimes Anonymously, Call **Crime Stoppers – 1 (800) 222-8477**

Notable Occurrences for the Month: NONE

Be careful when responding to phishing emails or calls from agencies disguising themselves as possibly the Red Cross, Health Canada, Canada Revenue or other agencies. Avoid giving out your personal or financial information details and report the call to the Canadian Anti Fraud Centre at **1-888-495-8501 (toll free)**.

Current Staffing Situation

Cpl. Larissa Jarson (Away from Duty)
Cst. Ziauddin Hamidi – Acting NCO i/c
Cst. Corey Joudry

For the month of February, the Teslin detachment was down a member due to Cpl. Jarson being away from duty. No timeline as to her return to duty.

Should you have any questions or concerns, please do not hesitate to contact me.

Teslin RCMP respectfully acknowledges that we work within the Traditional Territories of the Teslin Tlingit Council.

Yukon Quest International Association (Canada)
2 - 1109 Front Street
Whitehorse, Yukon Y1A 5G4

Prepared by: Benjamin Smith, Executive Director

April 8, 2024

Proposed Trail Route: 2025 Yukon Quest

Summary

The Yukon Quest International Association (Canada) is proposing a new trail option for the 2025 Yukon Quest and for subsequent future Yukon Quests. This trail will explore new areas and routes that open more of the Yukon and move away from the traditional race trail. The proposed starting location for the 2025 Yukon Quest is Teslin, Yukon, with the finish line proposed for Dawson City, Yukon. This trail would then travel through the communities of Ross River, Faro, and then connect to Pelly Crossing on the way to the finish line. We are seeking feedback on the proposed trail, and are hopeful for the support of the communities and First Nations and Councils within these areas. We are also seeking assistance in breaking and maintaining the trails at race time. The Yukon Arctic Ultra is also interested in using this same trail for their event. The two events would bring local, national, and international exposure to the communities, First Nations, and Councils through marketing and content generation at race time.

Introduction

The Yukon Quest International Association (Canada) is a non-profit organization that organizes and produces the annual Yukon Quest sled dog races. With the border closures during COVID, the race was temporarily stopped and our organization (and our Alaskan counterpart) were forced to make races within our respective areas. We have since been unable to realign the organization and are separated from each other, and each are now mandated with creating their own versions of the Yukon Quest race. This year we were faced with unprecedented challenges with the trail from Whitehorse to Pelly Crossing. As a result, we are moving forward to create a

premier long distance race within the Yukon, but away from problematic stretches of the Yukon River.

As a non-profit organization, we rely on the support of the Yukon Government for administrative and marketing funding, and also on community support in the form of sponsors, donations, fundraising, and merchandise sales through our retail and online stores to offset our race costs.

Background

The Yukon Quest is attempting to innovate and redesign our races as we move forward, with the aim of drawing in new competitors and new sponsors with something new and exciting. Musherers are becoming increasingly selective in the races they run due to rising costs for their kennels, and they are looking for new and interesting trails to test their skills on. We are expanding our mandate of promoting the Yukon further with a new proposed trail design, and we are interested in using our platform to bring increased exposure to areas of the Yukon that we have not been part of before. By giving mushers and fans of our sport a new trail through different communities, we will bring benefits to these areas through promotion and marketing, as well as the direct economic gains of having competitors, officials, volunteers, and supporters interacting within the communities.

Proposal for the 2025 Yukon Quest

The races will follow the traditional race format of a staggered start followed by teams advancing along the trail, resting at Checkpoints and/or designated spots, and attempting to reach the finish line. This will take place over approximately five days.

The Yukon Quest has adopted a mandate of providing world-class dog care while maintaining the highest levels of competition, and also of providing means for beginning and experienced mushers to compete. Our signature event is our long distance race that challenges the skills of the experienced teams, and our 100-mile race is intended to provide recreational mushers and beginning mushers that are looking to hone skills and build confidence with an opportunity to take part in a competitive, structured race. The shorter race fits in with our desire to educate mushers and provide development opportunities as we move forward into the future of this sport. The Yukon Quest recognizes the need to continue the legacy of dog sledding within the

Yukon, and we are striving to give mushers of all skill and abilities the means of advancing this sport.

Proposed Race Format

The 2025 Yukon Quest would be designed as a two race event, with a 100-mile race and a 600-mile race. The 600-mile race is proposed to begin in Teslin, Yukon, on Sunday, February 2, 2025. We are exploring options for the 100-mile race and are seeking feedback regarding possible final distances, finish locations, and turnaround spots (if necessary). The 100-mile race is intended to start after the 600-mile race.

Proposed Route

The proposed route for the 2025 Yukon Quest is as shown in the attachment to this proposal.

The 600-mile race would begin in Teslin and dog teams would then proceed through Johnson's Crossing and onward to Ross River. From there, they would proceed on the Dena Cho Trail to Faro, and then along the Pelly River, and on existing trails to Dawson City.

For our short distance race, we are in the process of identifying suitable locations for a finish line that would give a distance of 80-120 miles from Teslin. We are open to any feedback and suggestions for possible routes that may work, with the requirement of accessibility for dog trucks and room for multiple teams to be extracted simultaneously. We would also need adequate space to set up tents and services, if necessary.

Assistance Requested

The Yukon Quest International Association (Canada) is an organization of limited resources, and respectfully requests any possible assistance that could be given with the following:

- Designating a starting location and dog yard area within Teslin
- Trail development and maintenance before and during the race
- Letters of support for Yukon Quest funding applications

This proposed trail and starting location is new for the Yukon Quest, and as such, we are seeking feedback and guidance on appropriate locations and venues that will work for all

parties. We would need a space that allows for us to install a starting chute and areas for supporters to gather to watch the start event. We would also require a dog yard in which teams could assemble and prepare prior to the race start. This area would need direct access to the start line chute and trail that the teams would use.

The Yukon Quest has long enjoyed a partnership with the Canadian Rangers to break and groom our trail, however changes in approval structures and reductions in available funding have resulted in the Rangers advising us that they are potentially unable to provide as much support going forward. We will be seeking grant money from the Yukon Government through the Community Development Fund and volunteer support to make this trail a reality. We respectfully inquire if any support would be available from the Village of Teslin and the Teslin Tlingit Council in the form of individuals or organizations that could provide assistance in the lead up to and at race time in developing the trail we will use.

If possible, support letters from the Village of Teslin Council and the Teslin Tlingit Council for the proposed Yukon Quest trail to begin in Teslin and run through to Ross River would greatly help our application for a Community Development Fund grant to cover the costs of breaking and maintaining the trail.

Additional Discussion Points

The Village of Teslin could expect an influx of visitors at the time of the race, including competing teams, officials, volunteers, and supporters from surrounding areas. This would likely continue with the Yukon Arctic Ultra that would begin shortly after our race. Community services will need to be prepared for potentially large groups in the area, with possible crowd sizes of several hundred people at one time.

Community groups and vendors are welcome and encouraged to set up venues at the Yukon Quest Start Line and in Checkpoints along our trail. The Yukon Quest is meant to bring communities together and to give communities opportunities and exposure during the winter months. A copy of our guidelines will be available to the communities and any vendors prior to the race to ensure the safety and enjoyment of everyone.

Conclusion

Yukon Quest International Association (Canada) is excited for a new chapter in our race and for a proposed new trail that will bring greater involvement and benefit to more areas of the Yukon. We are hopeful that the Village of Teslin Council and the Teslin Tlingit Council is supportive of our proposed design, and that resources may be possible to help us create the 2025 Yukon Quest races. This will be a monumental undertaking, but through open communication and cooperation the 2025 Yukon Quest will be the most successful Yukon Quest yet.

I can be reached by email or by phone if there are any questions or comments regarding this proposal. I am available for follow up meeting as well. My contact information is:

Re: Extension request for Mayor to continue acting as Chief Administrative Officer

Dear Mayor Curran,

Thank you for your letter dated April 9, 2024, requesting an extension under section 371 of the *Municipal Act*. I approve the extension. This extension will remain in effect until June 4th, 2024, or until the new Chief Administrative Officer begins the position – whichever occurs first.

I understand that the process of recruiting can be arduous, and I appreciate the work that you have done in recruitment, through council, and in your role as acting CAO thus far. The continuity provided by your willingness to act in the CAO role over several months demonstrates an admirable commitment to your community.

If you have any questions or require further support in any capacity, please reach out at any point to the Director of Community Affairs, Samantha Crosby at samantha.crosby@yukon.ca or 867-336-0396. Also, please do not hesitate to reach out to me at any point if I can be of assistance.

Sincerely,

Richard Mostyn
Minister of Community Services

Community Lottery Program Criteria Schedule A

PROGRAM OBJECTIVES

The objective of the Community Lottery Program (CLP) is to provide municipalities and local authorities with funding support for programs or projects that sustain and contribute to the growth of arts, sport and recreation in their communities. The program strives to improve the quality of life for all Yukon people through participation or availability of arts, sport and recreation.

The CLP is intended to enable municipalities and local authorities to make local decisions relevant to their community's needs and create equitable access to lottery revenues for all Yukon people. **Applications for the Community Lottery Program must adhere to the following:**

- ✓ Be submitted by residents of The Village of Teslin.
- ✓ Team events or individuals travelling to the same event must be submitted as one application.
- ✓ Provide at least 20% of their project requirements (Can be fundraising, cash or in-kind contributions)
Volunteer hours will be considered at a rate of \$ 20 per hour.
- ✓ Events /and/or programs must benefit the community.
- ✓ Applications must be submitted prior to an event or program; an application cannot be retroactive.
- ✓ Any event/program that excludes participation based on culture, religious affiliation, ethnic background or any other prejudicial basis will not be eligible for funding.
- ✓ Community Lottery funding cannot be transferred to any other project or organization; any funds not used for the project applied for have to be returned to the Village of Teslin.
- ✓ All applications are subject to funding availability.
- ✓ If you received a grant the previous year a summary on how it was used.

Eligible Expenses

- ✓ All costs directly related to providing arts, sport and recreation opportunities either through participation or availability to members of the community.
- ✓ Maximum of 80% of a project is eligible for funding.
- ✓ Accommodation expenses up to a maximum of \$100.00 per night, based on 4 participants per room. Exceptions can be made for gender differences and odd numbers. 50% of chaperone accommodation expenses may be eligible, based on 1 chaperone room for every 2 participant rooms
- ✓ Applicant's user fees for facilities
- ✓ Other expenses such as supplies, local workshops, equipment cost, and any other projects or activities that Council deems appropriate
- ✓ Honorariums which include speakers, instructors, facilitators and trainers up to a maximum of \$150.00 a day.

Ineligible Expenses

- ✓ Applicant's operating and maintenance costs for general administration.
- ✓ Wages
- ✓ Office equipment (computers, scanners, printers, projectors, telephones, software, etc.)
- ✓ Rent
- ✓ Energy
- ✓ Utilities
- ✓ Office Supplies, telephone, internet.
- ✓ Minor repairs and maintenance
- ✓ Insurance, accounting and audit services, printing services, professional services
- ✓ annual fees
- ✓ Projects deemed to be private enterprise
- ✓ Personalized clothing/equipment
- ✓ Gifts, awards, prizes (including cash)

Accountability

- ✓ Funds granted are not transferable between projects/programs or groups/organizations and **MUST** be used for the specific purposes outlined in the application.
- ✓ The applicant **MUST** submit an Accountability Statement no later than ninety (90) days following the event and **MUST** include all applicable receipts. Failure to comply will deem the applicant ineligible for further funding under the Community Lottery Program, and it could also require the applicant to return the grant funding.
- ✓ Any unused portion of the funding must be returned to the Village of Teslin.

Recognition

Applicants are required to recognize Lotteries Yukon as a funder in all publicity associated with an approved application. When using the Lotteries Yukon logo, it must be a minimum of 4cm (1.5 inches) in size. It is the recipient's responsibility to identify recognition and media plans in their application and provide evidence of these activities in their progress and final reports.

Personal Information is collected under the authority of the Public Lottery Regulations and will be used for the purpose of administering the Community Lottery Program. For further information, contact the General Manager, Lotteries Yukon, 101-205 Hawkins Street, Whitehorse, YT Y1A 1X3 or 867-633-7899, toll free within Yukon 1-800-661-05555, extension 7899.

Teslin Historical and Museum Society will celebrate its 50th anniversary in 2025. We are seeking input from the community regarding how best to celebrate and what activities they are interested in. On July 13, 2024, we would like to host a midday Barbecue for the community where community members can share their memories concerning the original opening and museum. We also want to seek input for the George Johnston and Bonar Cooley memorial. The Teslin Historical and Museum Society is approaching its 50th anniversary in 2025. We would like to hear from the community on how we can best celebrate this milestone and what activities they are interested in. On July 13, 2024, we plan to host a midday barbecue for the community, where people can share their memories of the museum's original opening. We also want to gather ideas for a memorial for George Johnston and Bonar Cooley. During the event, we will share our current plans for the adjacent lot and seek community involvement.

In the past, we have successfully requested funding from Lotteries for a July 1st Dominion Day tea, which was focused on senior members of the community. This year, however, we want to broaden our event to be more inclusive and open to all community members. We will share our current plans for the adjacent lot while seeking community involvement. In the past, we have asked for funding from Lotteries for July 1st Dominion Day tea, which focused on senior members of the community, while this year, we want to be more inclusive and host an event that any community member can attend.
